Onat,

I have passed this information on to Walker to answer some of the questions that you have.

- 1) I am sure that Walker would not have a problem with Bryant Parks Department being involved in sponsorship opportunities. The flyer that was sent comes straight from Jennie Finch and they don't do sponsors on it. I know that the camp t-shirts will have sponsors and we are working on some ideas with the dinner.
- 2) We talked with the chamber of commerce and received the list on Hotels. This list was sent to Jennie Finch organization to list on their website during registration. Chamber of Commerce has also agreed to send out the flyer to all members to announce she will be in Bryant.
- 3) I am sure that Walker will be fine with this amount. I will confirm with him.
- 4) This is a Walker question.

Kara,

After talking to our staff and parks committee, we are willing to help you to host this event. I do not have the official parks committee approval at this time, however it is on the agenda for the meeting.

Below are few things we talked about and wanted to check with you on these;

1. Can Bryant Parks Department have sponsorship opportunities on this event flyers and etc?
2. Could we make sure we advertise for Bryant hotels and restaurants to be used for the event and make sure participants are informed?
3. Need your help to take over the dinner set up and clean up but our staff will assist you with it as well? Also we propose to charge you for only one hour fee (\$150) for the gym usage instead of 4 hours. This is for us to cover our expenses for the event.
4. What are the chances to commit to host this event for the next three years with you all?

Please let me know your thoughts,

Thanks,

Onat,

We have been selected by Walker Clark with ASA to host a Jennie Finch two day softball camp on October 15<sup>th</sup> thru the 16<sup>th</sup> of 2016. Jennie Finch is a former collegiate All-American, softball pitcher and first-baseman originally from La Mirada, California. Time magazine has described her as the most famous softball player in history. She pitched for the Arizona Wildcats, the USA national softball team and the Chicago Bandits. Finch won the 2001 Women's College World Series and helped lead Team USA to the gold medal at the 2004 Summer Olympics<sup>[5]</sup> and a silver medal at the 2008 Summer Olympics. In August 2011, she started work as a color analyst for ESPN doing National Pro Fastpitch and college softball games. According to Mike Candrea, her coach at Arizona and through two Olympics, "Jennie has transformed this sport, touched millions of young kids in many different ways – whether it's fashion, whether it's the way she plays the game – but through it all she's been very humble.

We are excited to be able to host this event. We would like to reach out to and ask for help from the Parks and Recreation Board. Along with the clinic on Saturday night there will a dinner with Jennie Finch that could be around 1,000 people in attendance. This is where we are asking for help from the City, we would like to know if city would be able to waive the rental fee for the Center. In order to make this camp happen Walker as agreed with the Jennie Finch to pay \$15,000 to reserve the date, he also has to rent and pay for 12 hotel rooms, two transportation vehicles and lots of softball supplies. These are cost that ASA is paying out for her just to do the camp and not refunded. The registration for the camp goes through her also, so we are not making any money off of registrations. We will have our concession stand open during the camp but this would not be a big money maker considering that lunch and water is provided to all campers.

If you would like more information regarding the camp and Jennie Finch her website is [www.jenniefinch.com](http://www.jenniefinch.com).

We feel that this is a huge event for not only our association but for the city. Her camp draws in around 400 girls. Parents bring in girls from surrounding states in order to attend this camp. We are in the process along with ASA to put Bryant on the map for Softball Capital in Arkansas. This is an opportunity that will help and this is why ASA is willing to bring Jeanie Finch into Bryant.

I will need to get an answer as soon as possible due to the booking arrangements for this event. In order to fully book the event Jennie requires confirmation of the locations for each event with the camp.

Please let me know if you have any questions.

Proposal for the use of Bishop Park Facility for Girl Scouts -Juliette Bash 2016

The Saline County Girl Scout Service Unit plans to create an event to promote education and awareness in a variety of different areas for the girls of Saline County. This will be accomplished by creating fun and exciting experiences for these girls. As leaders of Girl Scouts we have learned that the girls retain more knowledge, improve skills, and gain a better self-confidence if they are given the opportunity to grow and learn in small group setting with friends. They teach each other and learn together building confidence in themselves while accomplishing new task and share in the joy of learning. One of the corner stones of the Girl Scout Experience is the girl lead aspect...girls teaching girls.

Bishop Park is an ideal venue for our event. It is centrally located and a large facility with several meeting rooms. It is our hope that this event can grow and reach girls around the state in years to come, but first we would like to offer the girls of Saline County this enjoyable learning experience.

We are requesting the use of the following rooms:

Purple Room with gymnastic mats	Bath House Room	Therapy Pool after Hours
Blue Room with stage	Pool House Room	Part of the Parking Lot sectioned off
Red Room	Part of the Gym sectioned off for members and Full Gym after hours	Archery area
Green Room	Pool lanes with Life Guards	1 -2 Baseball Field for Kickball

We also request the use of the Kitchen for storage of lunches, dinner, and breakfast preparation, a projector and screen for video and the use of the archery sets owned by Bishop Park.

It is estimated that upwards of 150 girls will attend this overnight event in October of 2016. We expect to have a 5:1 ratio for adults and we are encouraging a 1:1 ratio so that there will be approximately 150 adults and vendors on sight. All girls and adults on site will be registered Girl Scouts and follow all Safety Guidelines as referenced under our Safety Activity Checkpoints Manual

(<http://www.girlscoutsdiamonds.org/wp-content/uploads/2014/12/All-Safety-Activity-Checkpoints-2012.pdf>)

The event set up will begin at 7:00am Saturday morning and registration will be held outside at 9:00am. Once registered, the girls will be placed into smaller groups and will be given a schedule and leader for the day. The leader will assure they are in the proper locations for each activity. The leader will direct

the group to a holding room where we can store overnight bags, and lunches can be stored in the Kitchen area. Several small activities will be set up for the hour during registration. The projector will be used at this time to show “Girl Scout through the Ages”, a photo booth will be offered for selfies, and games can be played outside.

At 10:00am the activities will begin. The groups will follow their schedules, rotating rooms hourly as needed. The Purple Room will be set up for gymnastics where a certified gymnast will teach the girls. The Blue Room will be used for plays and skits. The Red Room will have crafts tables and painting or drawing set up. The Green Room will be used to teach awareness of disabilities and to educate on breast cancer prevention and early detection. The Bath House Room will be set up to teach the older girls CPR and certify them if they are of approved age. The Pool House Room will be used to educate the younger girls about staying safe in various situations. A certified trainer will teach the girls canoeing in the pool lanes, and the pool will be used later for general swimming. Archery will be taught by a certified trainer near the Pool House. The baseball fields will be used as a good old fashioned game of kick ball. The outside parking area will be used for a variety of games and crafts and we hope to have someone come out and inform the children about the care of a variety of different types of animals. The gym can be used during the day to teach the girls basketball and later that night it will be used as our sleeping quarters and the projector will again be used for movies at night. The event will end Sunday morning at 10:00am. A sample itinerary is attached but we will finalize the schedule of activities and attendance numbers once they are confirmed.

We thank you for the opportunity and assistance in the education of the girls of Saline County.
