

PARKS AND RECREATION REPORT DECEMBER 2018

Aquatics

- Offering all aquatic fitness classes. This includes water aerobics, deep water aerobics, Silver Splash, Mom and Me swim lessons, preschool lessons, private and semi-private swim lessons and group swim school lessons.
- BASS swim team, Racers swim team, Bryant HS and Bauxite HS holding regular practices.
- Held a Bryant High School Swim and Dive Meet on December 6th, with approximately 200 participants.
- Held a BASS Swim Meet on December 8th, with approximately 85 participants.
- Held a Racer Swim Meet on December 22nd, with approximately 50 participants.

The Center

- Hosted the Boys & Girls Club Cash Bingo Event. There were over 500 people in attendance and my staff did the complete setup and breakdown for this event (Nov. 29th)
- Hosted the Senior Pickelball Olympics November 30th, December 1st, and December 2nd. This event brought in attendees from several states and cities. We received great feedback on the facility and the staff.
- Hosted the Flight Basketball Tournament Dec. 8th & 9th for local youth that are playing in our recreational basketball league.
- On Dec. 13th, we welcomed the Area Police Training, which brought in law enforcement from surrounding cities and counties.
- We had over 20 additional reservations during the month of December ranging from birthday parties, business meetings, and Christmas functions.

Bishop Park

- Mulching of Leaves around park
- Weeding of flower beds

Ashley Park

- Removed Downed Gates that were posing a safety issue.
- Did a walk through of the park and made a project list for safety and playabiltiy for upcoming baseball/softball practice season. Work orders were created to complete the projects but the weather has not allowed for the correct conditions to work on the fields.

Alcoa Park

- Cleaned out large storage trailers and hauled off to dump
- Did a walk through on the fields to make a priority list for upcoming practice season

Mills Park

PARKS AND RECREATION REPORT DECEMBER 2018

- Used piled up leftover mulch from new playground project. Hauled piles from Mills to springhill park where a border was installed and the mulch recycled under the play structure.
- Weekly scheduled leaf blowing playground and sidewalks
- Replaced kicked in lock/hasp on bathrooms by pool to prevent use since those bathrooms are winterized.

Midland Park

- Continued monitoring of new irrigation system for effectiveness and leaks
- Repair/Solidify goal frames that were coming apart at welds.
