### **City of Bryant Local History**

The City of Bryant began when European settlers established themselves along Hurricane Creek in the early nineteenth century, along the route of the Cairo and Fulton Railroad. Over the years, the city saw times of economic struggle, but as the demand for the area's bauxite grew during the WWII era, development and a steady slow growth began. Since then, the economic landscape of the city has seen many changes, as Bryant evolved from a typical railroad community, into one focused on family, education and quality of life for its residents.

Once a small industrial town, Bryant is now the fastest-growing city in Central Arkansas. With a public education system deemed one of the best in the state, as well as proximity to the state's capital of Little Rock, Bryant has more than doubled in population size over the past two decades. A stable and diversified business community, as well as a high demand real-estate market, now makes Bryant a much sought-after community for both entreprenuers and families.

With the backbone of Bryant being its competitive spirit, organized youth and adult sports have thrived here. Quality of life for residents a focus of Bryant's growth plan over the years; therefore, the city and school have created joint partnerships to ensure the best use of citizen taxpayer money for investment back into the community. This has allowed both entities to offer a multitude of sports and educational opportunities to local residents. One such opportunity, the creation of Bishop Park in 2010, allowed many local sports organizations to develop and grow, thus creating a robust sports tourism trade for the city. Bryant now hosts numerous sporting events for all ages, including baseball, softball, swimming, soccer, football, disc golf, pickleball, and tennis.

In addition to sporting opportunities, community events are also important to residents, connecting newcomers to the city to the many traditions that have been a longstanding part of the community. The Bryant Fallfest Celebration, hosted by the local Chamber of Commerce, is entering its thirty-seventh year and is well-attended by locals and visitors alike. Also, the city has recently recreated the Fourth of July celebrations from years ago, and is now planning the fifth annual Pops in the Park event.

However, the largest event for this area is the annual "Salt Bowl" Competition. This competition, normally held in August or September, is the most attended high school football game in Arkansas. During this battle for the title of Salt Bowl Champion, Bryant takes on its neighbor to the west, Benton. With a normal attendance of over thirty thousand fans, this long-standing rivalry extends past the football field; in fact, the weeks leading to the game will include competitive food drives between the two cities, including the schools and residents. Local businesses, community sponsors, churches and other organizations also find a way to join in on the friendly community-wide rivalry.

Economic development and growth in Bryant have held strong through many market challenges. This is mostly due to the comprehensive business make-up of the city. The Bryant School District along with the city government itself are the city's largest employers. There were 728 business licenses re-issued with another 51 new licenses requested in 2024 (at 11.14.24) (not all store front). Local industry is varied and the myriad of retail, healthcare, restaurants, financial services, and other entrepreneurial opportunities offers stability to the city's economic development. With Bryant's residential growth still climbing, there is still much opportunity for commercial growth in the city.

In 2021, Bryant saw the opening of the Arkansas Heart Hospital's Encore Medical Center. This four-story building is a general acute hospital care facility with a focus on bariatric surgery and peripheral vascular disease. It also features a full-service emergency department, restaurant and medical offices, bringing an additional two hundred jobs to the local healthcare industry.

Arkansas's local economies are commonly supported by sales tax, including the statewide sales tax of 6.5%. In Bryant, another 3% is collected and used by the city, making up approximately 75% of the general fund income. I hope you enjoyed this brief Local History on the City of Bryant. Please continue reading to see how we plan to use the resources granted to us by the citizens for the calendar year of 2025.

# of Cat/Kitten Enclosures: 28
# Small Dog/Exotic Housing: 5

### **Fire Department**

#### • Station 1 (Headquarters) 312 Roya Lane All administrative staff are located at this station

• Station 2 (HillFarm) 1601 South Reynolds Road Serves the south end of Bryant. Bryant Fire Training Facility located at this station

- Station 3 (Springhill) 2620 Northlake Road Serves the north side of Bryant and the Springhill Fire Protection District
- 501-943-0943 Emergency: 911

### Police Department

 312 Roya Lane Non-emergency contact: 501-943-0943
 Emergency: 911

### Public Works

- Stormwater 1019 SW 2nd Street 501-943-0468
- Street 1019 SW 2nd Street 501-943-0468
- Water Distribution 1019 SW 2nd Street 501-943-0469
- Wastewater Treatment 7064 Cynamide Road 501-943-0469

### Parks & Recreation

- Bishop Park, The Center at Bishop Park, Aquatic Center, and Splash Pad
  - 6401 Boone Road
  - 501-943-0444

Bishop Park has nine baseball fields, six softball fields, two football/soccer/multipurpose fields, an indoor/outdoor aquatic facility, outdoor splash pad,two ponds, disc golf course, community center, Boys & Girls Club, Senior Activity Center, paved parking, fencing, dugouts, natural walking trail, and a pavillion.

The Center at Bishop Park features three multi purpose courts, equipped to host basketball, volleyball, and pickleball. Also features a large indoor cushioned walking trail, aerobics room, fitness room, cardio room, and multiple events rooms equipped with drop down projector screen and audio.

The Aquatic Center features a 25 yard 8 lane competition/lap pool and a therapy pool. The Competition/Lap pool is certified through USA Swimming and capable of hosting USA, AAU, NCAA, and High School swim meets. It also has a 1 meter diving board available for recreational use on the weekends, summer time, and for pool parties. The Competition/Lap pool has an ADA certified pool lift and maintains a temperature of 84 degrees. The Therapy Pool has an ADA accessible, zero entry ramp. Underwater rails are locacted in the middle of the pool for exercise and therapy purposes. Seating around the radius of the pool features 12 jets for hydrotherapy and maintains a temperature of 92 degrees.

#### • Mills Park and Mills Park Pool

#### 1003 Mills Park Road

Mills Park features an outdoor swimming pool, concession building, restrooms, three pavilions, playground, outdoor basketball court, outdoor tennis courts, practice fields, and a walking/biking trail.

### Ashley Park

#### 400 SW 3rd Street

Three baseball fields, playground, restrooms, and covered pavilion

### • Alcoa 40 Park and Bark Park

#### 1110 Shobe Road

Two softabll fields, one pee-wee football/multipurpose field, one concession stand, bathrooms, bridge and deck, paved parking, parking lot and field lighting, dugouts, press boxes, bleachers for football/soccer/multipurpose field. The Bark Park is designated for dogs to exercise and play off-leash in a controlled environment with an area for dogs 25 pounds and over and an area for dogs under 25 pounds.

### Midland Park

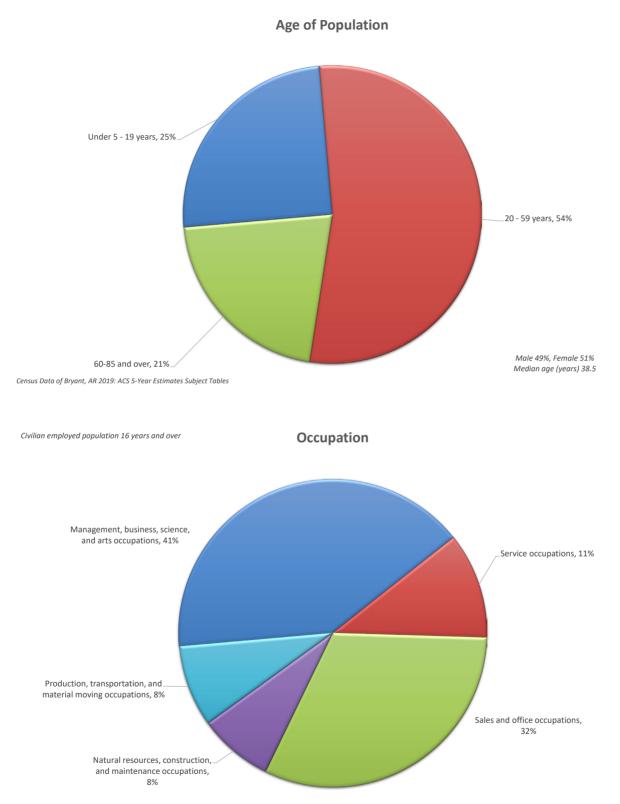

3865 Midland

Four Youth soccer fields, concession building, restroom, sport-field lighting, and paved parking

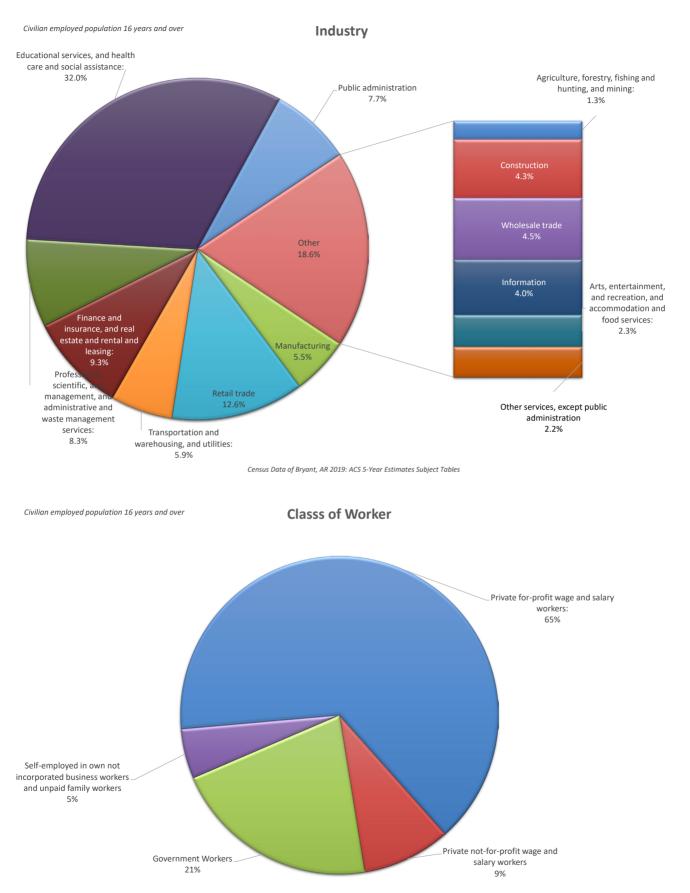

### Springhill Park

#### 2110 Binder Street

Playground, pavilion, water fountain, and paved parking

Census Data of Bryant, AR 2019: ACS 5-Year Estimates Subject Tables

#### Statement from the Mayor

Following my election in March 2024, my mentor Scott Staples and I embarked on a city-wide listening tour. We engaged with council members, community leaders, city staff, and anyone willing to share their time and thoughts. One of the key questions we asked was, "What are your expectations of the new Mayor?" We received over 100 diverse responses. After reviewing and reflecting on them, I distilled them into eight core character qualities that encapsulate the spirit of those expectations.

As I considered these qualities, I realized that they aren't just attributes a mayor should embody; they reflect what our community values. These qualities, if adopted by all of us, will guide Bryant toward a prosperous future and form the foundation for our governance in 2025 and beyond.

#### 1. Forward-Thinking and Proactive

Whether you're new to Bryant or, like me, have deep roots here, you know our city's remarkable growth is always part of the conversation. I enjoy reminiscing about Bryant's past, but we must focus on shaping our future. With growth continuing, it's vital that we honor our history while proactively preparing for what's ahead.

In 2024, we completed several master plans for parks, water, wastewater, and stormwater management. In 2025, we'll begin discussing how to implement these plans while also updating our comprehensive growth plan. Additionally, we've started long-range financial planning to ensure fiscal responsibility, managing reserves and debt prudently while maintaining the assets we've invested in. Together, we can transition from reacting to urgent needs to embracing growth with thoughtful preparation.

The Bryant Historical Society recently revamped our old Fire Station on SW 3rd St to become the new Bryant Historical Society Museum. In Bryant, we know how important our roots are and that's why we're excited to continue our annual \$10,000 contract (in this budget book under Adminstrative costs) with the Historical Society to preserve our history, while looking forward to the future.

#### 2. Transparent and Trustworthy

My goal is to serve the residents of Bryant with integrity every day. To achieve this, clear and consistent communication is essential. While decisions may not always be popular, it's crucial that we clearly explain the reasoning behind them so residents understand the "why."

In 2025, we'll continue sharing updates through the Mayor's Memorandum and City Council recap videos. With over 19,000 residents currently receiving these communications, my goal is to expand that reach. Keeping residents informed will help build trust between city government and the community. We'll also continue our "We AR Bryant" social media efforts to highlight the quality of life we all cherish.

As a result of our transparency efforts, we revamped our budget survey this year. Not only is the survey available to fill out online, but we are also partnering with local businesses in Bryant to offer incentives to our residents taking the survey. Local businesses donated items from their stores to create three "Tour of Bryant" gift baskets. All residents who take the survey will be entered to win one of the three baskets. So far, our budget survey has already seen over 200 responses in less than a week.

#### 3. Strategic and Collaborative

I'm grateful for the outstanding individuals working across our city—employees, elected officials, and committee members. Unity is central to our mission. While we may not always agree on every issue, we all share a commitment to working together for the betterment of Bryant's residents.

In 2024, we strengthened our relationships with key stakeholders, including the Bryant Chamber of Commerce, the Bryant School District, and regional partners. Our ties with the County and the City of Benton have never been stronger. This collaborative spirit is already yielding positive results, and in 2025, we'll continue to foster these partnerships to ensure Bryant's growth benefits everyone.

As you'll see in our new DRAFT Reserve Policy on page 23, my administration is dedicated to strategic budgeting. This Reserve Policy allows us to set aside money each year to dedicate to different projects in the city that require larger amounts of funding, such as a PoolPack, equipment replacement, and more. It is a more long term and comprehensive plan than undertaken before.

#### 4. Responsive and Resilient

Every day as mayor presents new challenges and opportunities. My team interacts with thousands of residents daily, and our goal is always to provide the highest level of service. While we may not always have immediate solutions, we are committed to being responsive, courteous, and resilient.

Challenges will come, and mistakes may happen, but we are dedicated to learning and improving. Our approach is to turn adversity into opportunity. I invite all residents to partner with us as we work toward a bright future for Bryant.

### City of Bryant Letter of Transmittal

Dear Citizens of Bryant,

The annual construction of a budget for the upcoming year is important to your community on many levels. First it creates a road map and a mission for how your city government will utilize the resources allotted to them through sales tax, franchise fees, utility rates, fines, as well as permits. This roadmap is then set into place to create, and ultimately fulfill, a long-term vision for the city.

Working with Chris Treat as Mayor over the last several months has been excellent. He has lived in Bryant his whole life and worked for the city for the past eight years as Parks Director so he brings a different perspective to being Mayor. He has placed a greater emphasis on not just the short term budget process but long term planning as well. We have conducted several meetings with council on the draft reserve and annexation plans shown in this document on pages 23 and 24. The Finance team is excited to look at our old Focus Areas more now as a Strategic Plan. These four areas of emphasis are where we have traditionally focused our budgeting dollars year to year but with Treat's emphasis on the long term we are able to better articulate how these areas can be improved and strengthened year over year as well.

Another large change this year has been the response to our annual Budget Survey. In the past we have attempted to hand these out at Fall Fest and email them out to directors, council and committee members but we have had a very limited response. This year the Mayor's assistant helped finance to develop a QR Code to take this Survey on line on the phone and from 9/18/ to 12/11/ we have received 282 surveys back. The feedback has been great! See a write up of these results and the process on page 12-13.

Mayor Treat also hired a personal consultant for the first six months of his term and that consultant encouraged him to take a listening tour of city employees and citizens. The consultant drafted a report of the findings and directors have been tasked with addressing items discovered through this process.

It is the desire of the council and city employees to continue a proactive stance toward our city's growth and avoid being reactive when possible. To do this takes very deliberate action, which begins with good policy and long-term planning. This planning is then implemented one year at a time. The city currently has long-term plans for some departments like water, wastewater, parks and stormwater but not for all departments. The city is continuing to work towards this goal of a long-term plan for each department and to update old plans. See plans for Water and Parks as Appendices to this budget year document.

As we work to achieve our vision, many goals are set. One of the most important of these is **public safety**. Keeping our citizens and visitors safe while in our community is imperative to the healthy growth of Bryant.

The administration of public safety for the city is implemented by way of several departments, including Police, Fire, Courts, Public Works and Animal Control. As you read this document, you will find that much of our allotted resources (funding) are consumed by our Public Safety Departments.

From the more obvious safety and community response actions that our police, fire and animal control perform to the behind the scenes work of the public works staff ensuring our local water quality is meeting all standards keeping our community healthy is a main priority. Another high safety priority is stormwater management.

It is no secret that as Bryant has grown, so have its traffic concerns. Traffic congestion is frustrating, bad for businesses, and diminishing to a good quality of life. We devote substantial resources to creating a well-connected community, again, part of our long-term planning process. Every year, we work to improve our pedestrian and cycling infrastructure, focusing first on connecting our parks, neighborhoods and schools. Many of these improvements are funded through grants that the city applies for in conjunction with city resources. In 2013, Bryant implemented a complete street policy. This policy ensures that as Bryant grows, new developments that will affect our city sidewalk and road infrastructure share in the cost of that impact. By implementing this policy, the city will have to spend less tax revenue on building infrastructure in these areas and can reallocate that money for other much-needed uses within the city. In the future, we will also have the ability to build a connector to the now under design Southwest Trail Project. This trail will allow us to link Bryant with communities throughout central Arkansas through a safe and protected trail system.

Bryant Parkway is complete! The official opening was on September 6, 2024. The construction of Bryant Parkway, the new north-south traffic corridor partially paid for through 2 bonds issuances approved by the voters, will also have a huge positive impact on Bryant. Not only will it relieve the traffic congestion on Reynolds Road allowing alternate routes for school transportation, it also creates additional pedestrian and bicycle access to these schools as well as neighborhoods and parks and opens up locations for future sales tax generating businesses.

During 2024 one of the Finance Cordinators applied for the Purchasing Manager position. The Finance Department is currently exploring ways to utilize the synergy from the conversion to take on some aspects of centralized purchasing for the city without adding any full time head count. Also during 2024 two employees second in command, Keith Cox and Brandon Futch were promoted to Directors. Also in 2024 Ted Taylor fomerly the City Engineer returned to the City's employment but this time as the Planning Director. This shows the city's succession planning is effective. These are examples of **smart growth**. Smart Growth is one of our four focus areas as well.

Finally, the last significant focus area to be mentioned here is the **health and quality of life** for the citizens and visitors to Bryant. All departments contribute to this goal in one way or another, but the department whole sole focus of this goal is Bryant Parks and Recreation. As Bryant has grown, it has struggled to balance its growth with the desires of those living in our community. There is no doubt that the parks and recreation department has felt this struggle the most. Often, when budget time rolled around Parks was looked upon as a want versus a need. It has received cutbacks in areas that did not allow the employees of that department to deliver the level of services desired by citizens and visitors. This budget season for 2025 is no different in this respect. However it is different in that the former Director of Parks became the Mayor in March of 2024 and he has worked closely with the Parks Department to help them secure funding. One of the changes that should help Parks is the Drafting of a Reserve plan that will hopefully reward the Dept Directors for good planning of their future capital needs.

Personnel costs make up the largest percentage category for the general fund each year. Therefore, it makes sense that each year a lot of discussion during budget time is devoted to personnel items. Each year the Council reviews the JESAP study and its recommendations along with the budget. A section of this document typically explores this study's recommendations in detail along with a five-year comparison of personnel numbers for the city as a whole. This year a new company took over the JESAP and so far has not completed our study. Council is aware of other increases to payroll in surrounding communities without the survey so endeavors to close the gap between surrounding areas payroll have been undertaken this year as well. In this document is an individual merit increase of up to a max of 3% and a COLA (cost of living adjustment) of 2%. We are hoping these will help to bridge that difference in 2025.

With growth comes opportunities, change, and challenges. Council, the Mayor and city employees look forward to 2025 and the continued service to you and this community. We are committed to ensuring at all times we are finding creative ways to make the most of the resources you have entrusted to us. We hope you find the following pages breaking down the budget process, department accomplishments, goals, performance measures and accompanying resources to your satisfaction, and that we are being the best stewards possible with the revenues we receive to operate the City of Bryant.

Sincerely, Joy Black City of Bryant, Finance Director December 11, 2024

### Adding Transparency to the Budget Process

For the 2025 budget season, the Finance Department decided to take a new approach to the annual budget survey. The goal to receive better engagement from the citizens regarding the budget. In the 3 prior years, the Finance Department received feedback through the survey from City Council and the various committees but only one response from a citizen that was not on council or a committee. The Finance Department teamed up with the Mayor's office to update the annual budget survey. Instead of handing out a paper copy of the survey at the Bryant Fall Fest, an electronic survey was created. By using an electronic format, the annual budget survey was created to not only engage with the citizens of Bryant, but also visitors and businesses. The results were great. As of 11/13/24 we have had responses from over 270 individuals. See one of the email messages about the survey below as well.

Have Your Voice Heard in Bryant's 2025 Budget! 🏶
We're inviting residents, visitors, and local businesses to help shape Bryant's future! The 2025 Budget
Survey is now live, and we need your feedback on how you'd like city funds to be allocated.

In the City of Bryant, there are 3 Major Funds that are highlighted during the budget process.

General Fund which is supported by local sales tax and revenues generated by city processes. This fund is responsible for many of the items Bryant residents consider a quality of life benefit.

#### Street Fund:

This fund is set by Arkansas state law to account for money to be spent on roads. This money can NOT be used for any projects not pertaining to Streets.

#### Water/Wastewater:

This fund is made up of several different revenue streams and is used to account for items related to Wastewater (sewer) activities for the residents of Bryant. These revenues are created by your utility bill charges and must pay not only for the daily upkeep of our water and wastewater system but also in the upgrades and repairs needed for aging infrastructure and needs placed on it by the rapid growth the city of Bryant.

In addition to the Finance Team being at Fall Fest 37 city teams from Animal Control, Community Engagement Committee, and Stormwater were all present. See Animal Control Director, Tricia Power, giving a Animal Control illustration to one young enthusist.

Below Purchasing Manager, Nichole Manley, and Finance Director, Joy Black, hand out goodies and promote the survey. Below that Crystal Winkler, Finance Coordinator, dresses as the Turtle, Stormwater "Ed" and in Education on Stormwater!

### Process, Timeline and Basis for Budgeting

The City of Bryant typically begins constructing the budget for the following year in August/September of the previous year. The Finance Director and Mayor meet with the Department Heads and make a listing of any anticipated notable large changes from one year to the next. The Finance Director opens up a draft in the city software and asks Department Heads to go in and input their budgets. Then the Finance Director pulls all of that detail out and puts it into a draft booklet for the Mayor and Department Heads to review. The Mayor and Department Heads make any adjustments and a draft is then presented to Council for adoption, typically at the last Council meeting of the year.

While the audited financial Statements of the City are prepared using an accrual method the budget is prepared using the modified accrual method. The main difference between these two methods for the city of Bryant is the depiction of capital assets. For budgetary purposes capital assets are shown as expenses that are approved by Council. These are shown as the 58XX series of accounts. However, in the audited financial Statements these, including where applicable debt principal and interest payments, are converted via adjustments to the balance sheet.

Prior to the 2018 Adopted Budget, the budget was adopted by line item which was very cumbersome. In 2018 Council adopted the budget by expense category in the major funds, keeping the limited number of Revenue lines still by line item. This was much easier and efficient to administer the work of the City. Now the Revenues are adopted by category as well. With this in mind this 2025 budget will be prepared and presented to Council for approval in that same fashion. This means that the budget can be amended along the same categories/lines that it was adopted for expenses/revenues. Adjustments between categories or between depts or funds requires bringing the adjustment back to be approved by City Council. Within the category with in the same department small adjustments can be made with the approval of the Finance Director and the Department Head.

Budget started in Tyler (General Ledger Software) by the process with Payroll)	Dept Heads, Rev	ision I (HR began	Weeks	8/19/24- 8/26/24

### **Budget Timeline**

The Government Finance Officers Association (GFOA) grades Budget Books annually based on their effectiveness in four

areas: As a Policy Document (P Criteria) As a Financial Plan (F Criteria) As an Operations Guide (O Criteria) And as a Communication Device (C Criteria) See these criteria areas on the Table of Contents or at the GFOA website at www.gfoa.org

### Budget/City Strategic Focus Areas

Since 2014 the Four Areas shown below have been the identified and pursued Strategic Focus Areas of the City of Bryant. In this document we have tried to align the Letter of Transmittal along these focus areas as well as all departmental goals, accomplishments and performance measures. Certain departments meet more than one of these goals and are listed as such. This format provides a clear framework around which Department Heads and Departments as a whole can organize their time and resources.

Public Public Safety	Governmental	Enterprise W/WW	Non Majors (beyond Transfers mostly debt)		Totals
Safety Fire, Police, Animal Control, Court	\$14,549,224	\$6,220,611	\$ 497,250		\$21,267,085
Health and Quality of Life for the Citizens and Visitors to Bryant Parks	\$3,339,404	\$6,220,611			\$9,560,015
Connectivity Street, MS4 (Stormwater)	\$4,207,682		\$ 2,638,000		\$6,845,682
Smart Growth Admin, IT Planning & Development	\$1,318,748 \$839,229		\$ 3,346,000		\$4,664,748 \$839,229
Totals	\$24,254,287	\$12,441,221	\$ 6,481,250	\$0	\$43,176,758

The chart above does not include the non major funds.

NOTE starting with the 2023 budget transfers were no longer planned for Water and Wastewater as new software allowed for separating out those two depts into two separate funds for budgeting purposes.

	General Fund			Non Major	Total Budgeted

### RESOLUTION NO. 2024 -XX A RESOLUTION PROVIDING FOR THE ADOPTION OF A BUDGET FOR THE CITY OF BRYANT, ARKANSAS FOR THE TWELVE MONTH PERIOD BEGINNING JANUARY 1, 2025 AND ENDING DECEMBER 31, 2025

WHEREAS, the City Council has reviewed the proposed budget submitted by the Mayor and;

**WHEREAS**, it is the finding and conclusion of the City Council that the schedules and exhibits of anticipated revenues and expenditures for the calendar year appear appropriate for budgetary purposes.

#### NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BRYANT, ARKANSAS THAT:

- This resolution shall be known as the budget resolution for the City of Bryant, Arkansas, for theSection 1. twelve (12) month period beginning January 1, 2025 and ending December 31, 2025. The attached budget, incorporated herein, reflects estimated revenues and expenditures as set forth on the
- Section 2. The respective funds for each item of expenditure proposed in the budget for 2025 are hereby approved and adopted for the operation of the City of Bryant, Arkansas, by the City Council on this date and constitute an appropriation of funds which are lawfully applicable to the items contained with the budget.

The Mayor or her duly authorized representative may approve for payment, out of funds appropriated by this budget or otherwise approved by the City Council for that purpose or may

Section 3. disapprove any bills, debts, or liabilities asserted as claims against the City up to a maximum amount allowed by Arkansas law and the payment or disapproval of any bills, debts, or liabilities exceeding that amount shall require the confirmation of this governing body.

### PASSED AND APPROVED this XX day of December, 2024.

**APPROVED**:

Chris Treat Mayor

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Bryant Arkansas

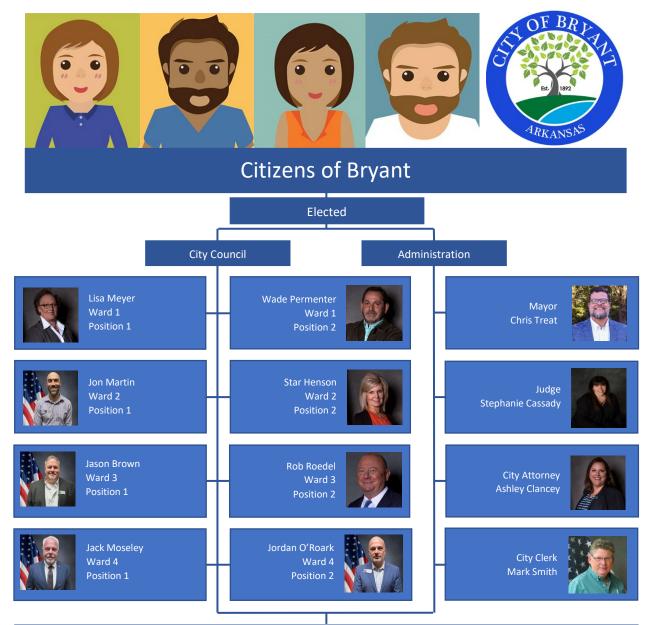

For the Fiscal Year Beginning

January 01, 2024

Christopher P. Morrill

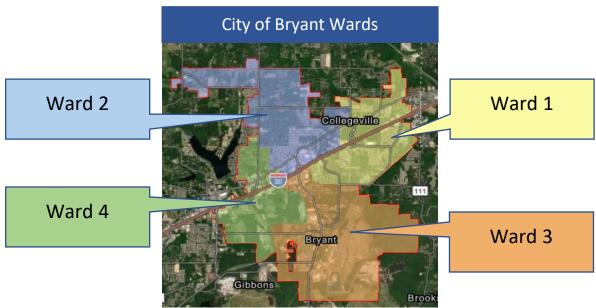

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Bryant, Arkansas, for its Annual Budget for the fiscal year beginning January 1, 2024. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communicative device. This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The City of Bryant have put in place several policies to promote compliance and integrity in accordance to Arkansas Code annotated.

As a municipality, the City of Bryant has an established system of internal control that provides reasonable assurance that objectives have been achieved in 1) the effectiveness and efficiency of operations, 2) the reliability of financial reporting and 3) compliance with applicable laws and regulations. The City of Bryant also has established an effective anti-fraud program that: 1) creates a culture of honesty, 2) evaluates the risks of fraud and implements the processes, procedures and controls needed to mitigate those risks and 3) develops an appropriate oversight process. It is the policy of the City of Bryant, to the extent that is reasonable, to conduct its contracting affairs in an open, competitive manner.

### ACCOUNTING, AUDITING, PURCHASING AND FINANCIAL REPORTING CITY POLICIES

The City's accounting and financial reporting systems will be maintained in conformance with Generally Accepted Accounting Principles (GAAP) and the standards set by the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA). An independent public accounting firm will perform an annual audit. The auditor's opinion will be included with the City's published Annual Financial Reports.

The City's Budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide for all organizational units and as a communications device for all significant budgetary issues, trends and resources.

Monthly Reports shall be prepared and presented to the Bryant City Council on a timely basis. A Purchasing Policy was adopted by Council along with the 2021 Budget Book by Resolution 2021 -XX.

Balancing the budget - the state of Arkansas requires that a balanced budget be presented to Council by December 1st before the year of the budget proposed in State Statute 14-58-201.

Ordinance 2007-35, ACA 14-58-303 and ACA 14-58-306, outlines that the Mayor may sell city assets not exceeding \$6000 in fair market value without competitive bidding. The sale of city assets over \$6000 in fair market value must be brought to council for disposal approval and recommendations.

Ordinance 2014-01 ACA 14-43-501 provides for organization of the City Council meetings and approval of the financial report from the previous month as a new business item at each monthly council meeting.

Ordinance 2021-26 ACA 19-1-505 outlines investments for municipal governments and creates an Investment Advisory Board to oversee and make recommendations regarding investments of monies regulated by the policy.

Ordinance 2022-18 ACA 14-59-105 establishes best practices for internal controls to make electronic fund disbursements of municipal funds.

### **DEBT MANAGEMENT CITY POLICIES**

The City will seek to maintain and, if possible, improve its current bond rating in order to minimize borrowing costs and preserve access to credit. The City will encourage and maintain good relations with financial bond rating agencies and will follow a policy of full and open disclosure.

Every future bond issue proposal will be accompanied by an analysis showing how the new issue combined with current debt impacts the City's debt capacity and conformance with City debt policies.

Financing shall not exceed the useful life of the asset being acquired.

The City will not use long-term debt to finance current operations.

The general policy of the City is to fund capital projects (infrastructure) with new, dedicated streams of revenue or voter approved debt. Nonvoter approved debt may be utilized when a dedicated revenue source other than general revenue can be identified to pay debt service expenses.

Interest earnings on bond proceeds will be limited to: 1) funding the improvements specified in the authorizing bond ordinance; or 2) payment of debt service on the bonds.

Utility rates will be set to ensure debt service coverage exceeds the bond indenture requirement of 110%.

The City shall comply with the Internal Revenue Code Section 148 - Arbitrage Regulation for all taxexempt debt issued.

Proceeds from debt will be used in accordance with the purpose of the debt issue. Funds remaining after the project is completed will be used in accordance with the provisions stated in the bond ordinance that authorized the issuance of the debt.

### **CAPITAL MANAGEMENT CITY POLICIES**

A Capital Improvement Plan will be updated annually, including anticipated funding sources. Capital improvement projects are defined as infrastructure or equipment purchases or construction that results in a capitalized asset costing more than \$5,000 and having a useful life (depreciable life) of two (2) years or more, per Resolution 2021-03.

Proposed capital projects will be reviewed by a cross-departmental team for accurate costing (design, capital, and operating), congruence with City objectives and prioritized by a set of deterministic criteria. Financing sources will be sought for the highest-ranking projects.

Capital improvement operating budget impacts will be coordinated with the development of the annual operating budget. Future operating, maintenance, and replacements costs will be considered.

# In 2024 Mayor Chris Treat began work on a Reserve Plan. Here is a draft below at 11/13/24, keep in mind this will be for the five major funds of General, Water, Wastewater, Street, and Stormwater

#### DRAFT RESERVE PLAN

Adequate reserve levels are a necessary component of the City's overall financial management strategy and a key factor in external agencies' measurement of the City's financial strength. Maintenance of fund reserves for each major fund (determined by Administration to be General, Street, Stormwater, Water and Wastewater funds) assures adequate resources for cash flow and to mitigate short-term effects of revenue shortages. Reserve funds are necessary to enable the City to deal with unforeseen emergencies or changes in condition.

#### **General Policy**

The City shall maintain reserves required by law, ordinance and/or bond covenants. All expenditures drawn from reserve accounts shall require prior Council approval unless previously authorized by the City Council for expenditure within the City's annual budget. Any expenditures will comply with our purchasing policy. If reserves and/or fund balances fall below required levels as set by this policy, the City shall include within its annual budget a plan to restore reserves and/or fund balance to the required levels. All reserves will be presented in the City's annual budget.

#### **B.** Contingency Reserve

The City will maintain a Contingency Fund and shall maintain a reserve equal to \$1,000,000 to provide a financial reserve to cover revenue shortfalls resulting from unexpected economic changes or recessionary periods or to provide funds in the event of major unplanned expenditures the City could face as a result of natural disasters. City Wide total this would be \$5,000,000. \$1,000,000 for each major fund.

#### C. Operating Reserve

The City will maintain an operating reserve to provide for adequate cash flow, budget contingencies, and insurance reserves. The operating reserve will be determined as follows: 1. Cash Flow Reserve: The City will maintain a cash flow reserve in an amount a minimum of 90 days of budgeted payroll expenditures by major fund. The City will review this annually during budget preparations.

#### D. Capital Reserve

The City will maintain a sufficiently funded capital reserve based on the capital depreciation schedule by major fund. The required level of reserve will equal each year's depreciation schedule.

#### E. Grant Reserve

The City will maintain at least \$250,000 in reserves for grants applications to cover the city's portion of matching grants for a total of \$1.25 million city wide. This bucket may not be spread equally among the five major funds.

#### F. Debt Reserve

The City will maintain at a minimum one annual payment of principal related to each debt issuance both short term (less than 5 years) and long term.

#### **Excess Reserve**

The City will use excess above the targeted reserve levels for: new expenditures, with emphasis on one-time uses that achieve future operation cost reductions capital asset investments with a long term benefit of prepaying existing debt employee bonuses, retirement benefits interest earning investments allowed by state law

In 2024 Mayor Chris Treat began work on several new plans, see a DRAFT of the proposed Annexation Plan on 11/13/24 below.

#### A Proactive Approach to Annexation Benefiting the City of Bryant

The City of Bryant has long been, and will continue to be, a desirable place to live. However, as developable land within city limits becomes increasingly scarce, new development has been pushed beyond these boundaries. This expansion has led to the creation of several neighborhoods within the Bryant School District but outside the city limits. Over the years, this has resulted in a situation where the City provides essential services to these areas without receiving the corresponding sales tax or property tax revenue needed to fund those services. It's clear that the City is currently missing out on revenue that would significantly offset the costs of the services we are already providing to these neighborhoods.

To address this issue, we intend to implement a proactive annexation plan designed to gradually reverse this trend. Our goal is to annex both existing and future developments that impact city costs, ensuring that the City recoups the expenses associated with these developments.

Our plan will focus on three key areas:

1. \*\*Established Neighborhoods\*\*: acknowledging areas that are already developed and receiving city services but not paying property or sales tax to the City of Bryant.

2. \*\*Neighborhoods in Early Development Stages\*\*: Identifying and annexing neighborhoods that are still in the initial phases of development. Allowing the city to benefit from the substantial sales tax on construction material and provide more quality control requiring these developments to pass city inspection.

3. \*\*Undeveloped Land Likely to be Developed Soon\*\*: Proactively annexing land that is expected to be developed in the near future. Allowing for better comprehensive and streamlined planning for smart growth.

This strategic approach will help ensure that the City of Bryant can continue to thrive while maintaining the quality of services our residents expect and deserve.

The City of Bryant is committed to communicating with the residents about this annexation plan every step of the way.

(1) Currently there exists over 1200 homes that lie within the Northern Extraterritorial Jurisdiction but outside the City Limits with another 4000 future homes possible. Extraterritorial jurisdiction (ETJ) refers to a designated area one mile outside of a city's incorporated boundaries where the city has limited regulatory authority. It's a buffer zone that allows a city to extend its influence beyond its corporate limits for future growth and development. Anticipated property tax for 1200 homes is estimated to be \$160 per home for a total annual revenue of \$192,000. 5000 homes would be \$800,000. American households spend on average approximately \$9500 annual on online purchases. At a 3% sales tax rate, 1200 homes would generate \$342,000 sales tax annually, whereas 5000 homes would generate \$1,425,000 annually. New construction sales tax on materials for homes is estimated at \$5,500 per home.

(2) Public safety operates a mutual and automatic aid agreement with the County in the ETJ. Parks are also used heavily by county residents closest to the city limits. The city department that does not currently service these areas in any way is the Street Department - taking on these additional streets will provide issues for the street fund.

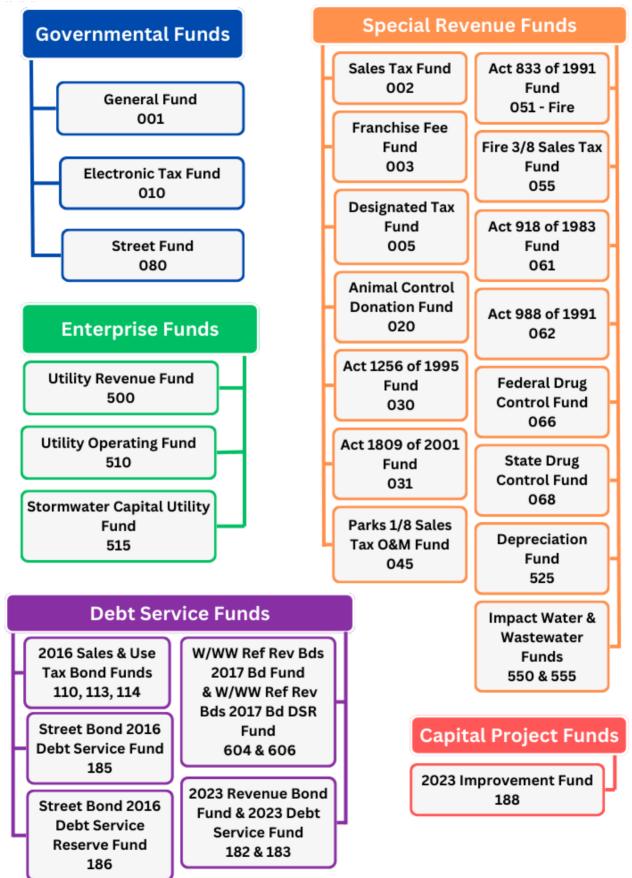

A sample of how these items might affect a four person family leaving in a \$200,0000 house is shown below:

3% increase to on line sales	\$285
Reduction to Sewer bill	(\$360)
Millage increase	\$160
Reduction in Home Insurance	-100

(on avg. homeowners save \$200-\$300 with Class 1 ISO rating vs. a class 2 )

Total	(\$15)

FUND STRUCTURE ORGANIZATION CHART

### **Governmental Funds**

General Fund (001) is the city's primary operating fund. It accounts for all financial resources of the general government except those required to be accounted for in another fund.

Electronic Tax Fund (010) is used to house payroll associated liabilities and sales taxes as they come in from the state. Any fund leftover in this fund over a period belong to another entity such as the state, county, employees, etc. This fund merely serves as a clearing fund.

Street Fund (080) is a special revenue fund to account for all activities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street fund is financed by state turnback funds, and a portion of a state-wide 1/2 cent sales tax approved by the voters in July 2013.

### **Enterprise Funds**

Utility Revenue Fund (500) is used to account for activities associated with collecting the revenues of water, wastewater, and stormwater via the monthly bill collections and the treatment and distribution of drinkable water to customers in department 0900.

Utility Operating Fund (510) is used to account for activities associated with collecting, treating, and disposing sewage from customers in department 0950.

Stormwater Utility Fund (515) is used to account for activities associated with completing major capital stormwater projects.

### **Debt Service Funds**

2016 Sales & Use Tax Bond Funds (110, 113, 114) These bonds were obtained to fund two Fire Stations, several Parks Projects and the Street connection from I30 to the Airport.

Street Bond 2016 Debt Service Fund (185) These bond funds were refunded in 2016 and the proceeds used to fund the on off ramp connecting I30 to the Street discussed above connecting I30 to the Airport and providing traffic relief along Reynolds Road.

Street Bond 2016 Debt Service Reserve Fund (186) is the Debt Bond Requirement for the 2016 Franchise Fee Funded Bonds.

W/WW Ref Rev Bds 2017 Bond Fund and W/WW Ref Rev Bond Debt Service Revenue Fund (604 & 606) hold money associated with the 2017 Water/Wastewater Revenue Bonds - These bonds have been refunded and used several times to fund various Water and Wastewater infrastructure needs.

The 2023 Revenue Bond Fund (182) is used to pay the bond to the Trustee Regions & the 2023 Debt Service Fund (183) is the Debt Bond requirement to support the 2023 Bond issuance.

### Capital Project Funds

2023 Improvement Fund (188) were designated to be spent within three years of the 2023 Sales & Use Bond for the second half to the Parkway.

### **Special Revenue Funds**

Sales Tax Fund (002) is where the initial deposits of sales tax collections from the state before being distributed to other funds. For audit purposes it is shown with the General Fund (001).

Franchise Fees (003) is where the initial deposit of franchise fees collected from utility companies before being distributed to other funds. For audit purposes, it is shown with the General Fund (001).

Designated Tax Fund (005) Bryant Ordinance no. 1996-08 (March 25, 1996) provided for the levy of a one cent sales and use tax for the purpose of street improvements (30%), fire department (25%), police department (25%), city parks (10%), and animal control (10%)

Animal Control Donation (020) Bryant City Code 6.12.01 (2013) via Ordinance 2011-24 established fund to receive donations for the animal control department to be used for any purpose reasonably related to the care, custody, and control of animals secured by the department including training, education, and assistance.

Act 1256 of 1995 (030) Administration of Justice Fund - ACA 16-10-308 established that cities would receive a share of the uniform court costs and filing fees levied by the state law. These may be used to defray a part of the expenses of the administration of justice in the City. These funds are kept and spent from this fund.

Act 1809 of 2001 (031) District Court Automation Fund ACA 16-13-704 established that 1/2 of \$5 per month on each person in the court could only be used for court-related technology. These funds are kept and spent from this fund.

Park 1/8 Sales Tax O & M (045) Bryant City Code 12.32.01 (2013) levied a .125% sales and use tax to be used to acquire, construct, improve, expand, equip, furnish, operate and maintain new or existing park and recreational facilities, including parking, landscaping, signage, lighting, concession, road and utility improvements, and to pay and secure the repayment of park and recreational bonds.

Act 833 of 1991 (051) Fire Equipment and Training fund is used to account for specific revenues per ACA 14-284-403, 404 which requires insurance premium tax funds to be distributed by the County to municipal fire departments for training, purchase and improvement of fire fighting equipment, initial capital construction or improvements of fire departments, insurance for buildings and utilities costs.

Fire 3/8 Sales Tax (055) Bryant City Code 2.36.07 (2013) levied a .375% sales and use tax to be used to operate and maintain; acquire apparatus and equipment, acquire, construct, improve, and expand facilities; to pay and secure repayment of fire department bonds

Act 918 of 1983 (061) ACA 12-41-701 established the ability of cities to receive a portion of fines and penalties from the Courts to be used for law enforcement purposes. These funds are kept and spent from this fund.

Act 988 of 1991 (062) ACA 27-22-103 established the ability of cities to receive the fine for citizens who fail to insure their motor vehicles and use those fines for the purchase and maintenance of rescue, emergency medical, and law enforcement vehicles, communication equipment, animals owned or used by law enforcement agencies, life saving medical apparatus, and law enforcement apparatus. These funds are kept and spent from this fund.

Federal Drug Control (066) and State Drug Control (068) established that asset forfeitures resulting from drug offense cases should go to the arresting agency. These revenues shall only be used for law enforcement purposes.

Depreciation WW (525) holds money set aside each month by the Customer Service Management Group per the Bond Debt Covenants.

Impact Water and Wastewater Funds (550 & 555) holds money collected by Code Enforcement as well approximately \$600 collected for Water and \$500 for Wastewater.

Each month the City receives 3% of sales tax back from the State of Arkansas. This 3% is mandated by the Citizens via vote to be spent on the following listed categories. You can see from the charts above and below what a large percentage Sales Taxes make up of the overall total Revenues for the General Fund.

			Stormwate	er Related Cap in Street Fund also in	515 Fund	
The chart below shows how the	3% sales tax above is allocate	ed and budgeted for 2025.			Street Cap	250,017

Divided by 3	565,052	6,780,620				

Plans for Fund Balances for the three major funds (General, Street, and Water/Wastewater) are shown above and on the Focus Area page 15. The City completed several projects in 2024. However, a few projects for both Street and Water/Wastewater were carried over via Purchase Order Encumbrances so separately adopted by Council and not in this budget. Any planned dipping into Fund Balances is the result of Capital Plans. Street adopted capital plans for \$250,017 in this budget and Water/Wastewater adopted capital plans for \$250,017 in this budget and Water/Wastewater adopted capital Plans 50,616 (plus \$1,267,000 of depreciation expense as well). Note further that some one time capital projects will be requested out of General Fund savings in January of 2025 after this initial budget council was adopted. Council wisely waited to see how the year ended before approving these projects. Council and the Administration has followed this process for the past several years.

## Summary of 2020 -2022 and Category Totals for Major Funds

TOTAL REVENUE PER DEPARTMENT

### Long-Range Operating Financial Plans

GFOA recommends long-range operating financial plans to help cities identify trends and potential impacts. The following General Fund Forecast and City Wide Revenue Review pages attempt to address this recommendation. The next page is a forecast of the General Fund through 2030 based off a look back to 2022. The city took the historical averages of increases over the last three years and used these to forecast out the next five years. The outcome is what was expected - ie. the city 's expenses are outpacing its revenues. For the past several years the Finance Department has been advising the Mayor and Council that revenue sources need to be diversified and increased. With the new Mayor entering office in March of 2024 he began to work on this issue and has encouraged the Finance department to include the next page after the forecast. This page is a review of the revenues sources and amounts over the past decade and a list of the possible other areas/ ways to increase revenues over the next three to five years.

Each month the City receives 3% of sales tax back from the State of Arkansas. This 3% is mandated by the Citizens via vote to be spent on the following listed categories. You can see from the charts above and below what a large percentage Sales Taxes make up of the overall total Revenues for the General Fund.

	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023

Sales Tax - As is common across Arkansas for cities - Bryant is heavily dependent on sales tax for the majority of its general and street fund revenues. Property values and coorsponding millage rates are much lower in the state than across the rest of the nation. This poses some issues. One notable issue in having this lack of diverstification in our revenues streams is the uncertainty of sales tax. Sales tax varies with the local and national economies and is hard to predict a year out. While the current city administration has no plans to raise the overall sales tax level in the city it does propose the concept of changing the allocation of the current percentages. Right now 1% is undesignated and 3/8 of another of the 1% is designated to Fire while there is not similar amount designated to the Police Dept. This current administration would like to explore the possibility of asking the citizens through a vote to change the designation percentages to more closely align with their priorities ie. reducing the undesignated 1% and increasing the allocation specific to the Police Department. See the Focus Areas on page 15.

The second highest revenue source for the general fund is fees. Each year for the past several years we have included an appendix in this document of these fees. This year this is on pages 93-95 of this document. Including this as an appendix assists the department heads in an annual review of these fees. The city is constantly reviewing surrounding city's fee rates and making sure ours are in line with those fees and also where possible adequately cover associated costs.

Millage - As early as the summer of 2025 management hopes that Council will consider adding a mil dedicated to Fire and Police Pension. This in the conjunction with the changes proposed around the sales tax allocation would help to dedicate funds to Public Safety as the citizens have indicated is their primary concern. The state allows cities to dedicate 1 mil to Fire and Police Pensions without it going to a vote of the people. This potential \$415,000 would in no way cover the approximate \$1.2 million in pension costs but as an increase to revenue the difference could be put to much needed facility maintenance.

State Turnback amounts are received monthly from the state with the rates derived from population counts. Increasing the population through Annexation is one avenue for increasing the state turnback amounts.

Stormwater Rates - Perhaps the most pressing revenue area of change is in the area of Stormwater Repairs and Maintenance, an Enterprise Fund item so not listed above. As of 9/20/24 the city is close to completion of a Stormwater Feasiblity Study. Once this study comes back it is believed it will show that our current static Stormwater rates of \$3.00 for residential property and \$6.00 per commercial property are woefully inadequate to handle the city's stormwater needs and that similarly to other cities across the US the fee needs to be be based on permeable surface area. If this change is made it will help the city long term to fund the needed stormwater maintenance, education and improvements. These items in the past have been handled by a combination of fees, grants, and the ARPA funds. The city needs a viable long term solution for these needs.

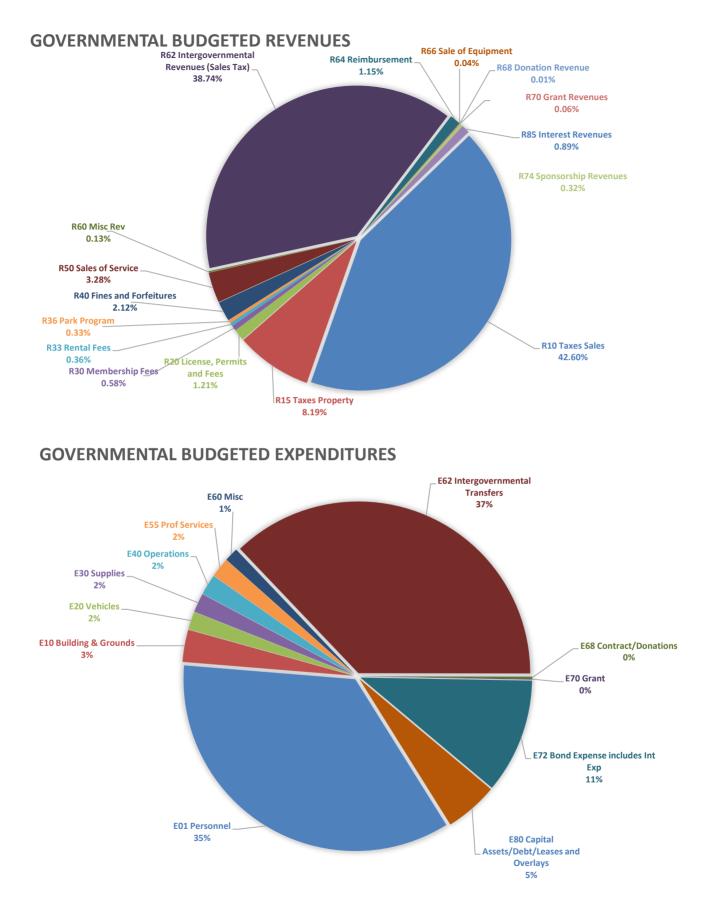

Annexation - Shortly into his first term Mayor Treat set up meetings with several Committee and Council Members to discuss an official public City Annexation Policy. Since Bryant is bordered on the west by the city of Benton and the east in part by the city of Alexander growth or extention of the city limits is expected to come from the north and south, mostly from the north as the city of Bauxite is close to the sourthern border. In conjuction with our Economic Forecast on page 32 of this document we are looking for areas to increase revenues in the future. While traditionally annexation is a loss over the first several years the money to be made is in two clear areas at initial development from delivery of building supplies to developing neighborhoods and then after several years in the form of larger population amounts in the census which will translate into higher State Turnback amounts. See this new policy draft at page 24 but note that the big picture is to grow the City Borders to where possible emulate the Bryant School District borders - many of these families already feel a sense of allegiance to Bryant and in some cases believe themselves to already be in the city limits. Through reciprocal agreements we serve these families with fire and police and these individuals use our parks, senior center, and youth programs. We need to achieve the revenues to match these arleady existing expenses.

Advertising and Promotion Tax - The City of Bryant had an A&P Tax in 2018 through 2019 but it was disbanded. Which this administration and the finance department feel was a significant step away from diversification of revenue sources. The revenues collected during that time helped to maintain the city parks and promote community activities for the next two years. Bryant is surrounded by cities that have A&P taxes. In the state of Arkansas these funds can only legally be used do fund two things - Parks and City Advertising. They are additional taxes/rates (up to 4%) on prepared food and hotels. This administration plans to pursue this revenue source again at the Special Election in May of 2027. The hope is to continue educating the citizens on how these funds can help them and improve their city services while much of the revenues come from visitors along the 130 cooridor.

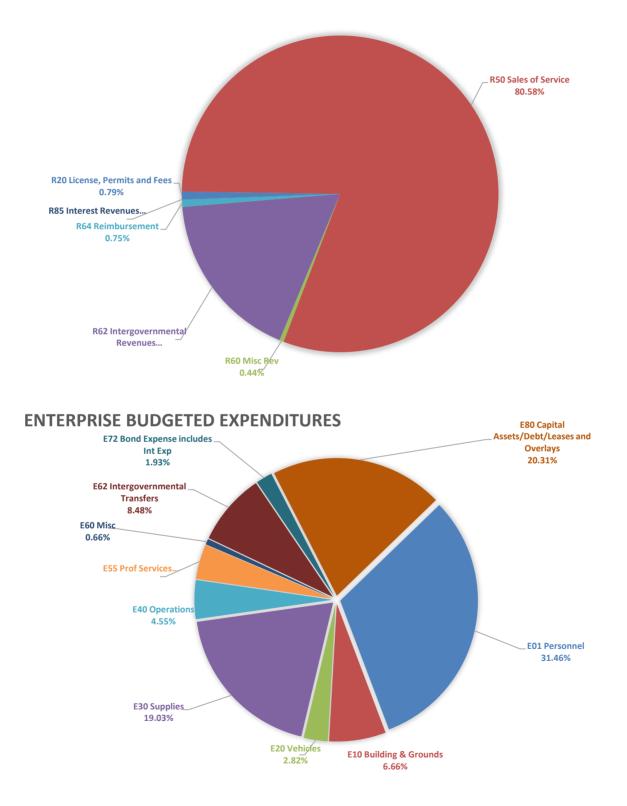

Impact Fees - review to be completed in 2025 - Impact fees are fees on new development tied to increased services that are a result of those increases to development. These types of fees could in theory help fund Fire, Police, Animal Control ... in 2024 the City started exploring this potential area of funding and hopes to have information to share with Council and the citizens in 2025.

Other and Grants (see pages 53-55) - in the past several years the city has been fortuntate to received \$7million in grants from Metroplan for completing the Parkway and \$4.3 million in ARPA money that it has used for Water, Wastewater and Stormwater Projects but after these items are closed out it will become even more imperative that the city find ways to diversify and increase its revenue streams to keep up with service level expectations from citizens.

### **ENTERPRISE BUDGETED REVENUES**

The use of Long Term Debt or Bonds is an essential item to many municipalties to allow them to fund larger more costly projects. Similar to individual financing a car, bonding allows city's to spread the expense of an item over the life of the item. In many cases city's assets like roads and water plants have thirty plus year life spans.

The Enterprise Debt Issuances are Revenue Bond Debt. Prior to issuing enterprise fund bonds, an analysis of current revenues and expenses is conducted to determine the revenues required to support a bond issue. Only the City's limited Amendment 78 Financing counts as General Obligation Debt limited by State Statute to 20% of the assessed value of the property located

The City's two Governmental Debt Issuances are Special Obligation Debt which is limited by the maximum amount of the special source (such as Sales tax or Franchise Fee) can generate within terms of bond covenants.

#### HR, Personnel and JESAP Overview

The City of Bryant uses the Job Evaluation and Salary Administration Program known as JESAP to evaluate its overall Personnel costs. This system is provided by an independent vendor named JER HR Group. During 2024 the individual the city and AML had worked with for more than ten years retired and sold the company to a national company called Trainery. The system had previously compared the City of Bryant with 12 of these data sources. For the last seven years with the budget process the most currently available JESAP study has been reviewed and accepted by Council as well. This year for the 2025 Budget Book we will be continuing to use the 2024 study because despite significant efforts by the Finance and Human Resource Directors and AML the city has not been able to receive any useful information regarding the 2025 annual market study. The 2024 study had the city of Bryant 2.77% below the 12 comparable cities/data sources. In an attempt to remain competitive this budget includes a 2% COLA and up to a 3% possible merit based on evalutions. The hope is that these items will allow the city of Bryant to remain competitive while we explore long term solutions to our market study needs.

(A) Note that Water and Wastewater also play a large role in the Health and Quality of Life Focus Area.

(B) Includes Fall Fest, Business License Letters, Hwy Billboard, and coloring book giveaways to 600 kids

(C.) Unavailable currently due to mid software conversion.

(D) The reduction in Unaccounted for Water in 2022 was due to efficiencies created with the water crew and distribution system of locating leaks in the main lines and repairing quickly.

(E) Began collecting data for this metric in 2022, instagram added in 2024

(F) Due to a software conversion, permits were most likely misclassified in the system at the beginning of the year.

(G) The City Engineer left in the 3rd Quarter and Joe Henry from the Engineering Department supplied that last quarter of data.

(H) Measurement changed from linear feet to tons in 2023 due to shifting costs of asphalt

#### **Governmental Funds**

The City has two major Governmental Funds - the General Fund and the Street Fund. The General Fund includes the Sales Tax Fund 002, the Franchise Fee Tax Fund 003, and the Electronic Tax Fund 010 when it is shown in the audited financial statements. However, so that the individual budgeted lines can be viewed by Council those funds are broken out in this budget book and shown under the Non Major Governmental Funds section. General Fund includes Administration Department, Office of Technology (IT), Community Development, Animal Control, Courts, Parks and Recreation Department, Fire Department, and the Police Department. Administration includes the Mayor, City Clerk, Office of Technology, Human Resources, and Finance whose department code is 0100 and the IT with department code 0110. Community Development's department code is 0120. Animal Control is department 0200. The Court system is shown in department 0300. However, note that the Judge is elected and half of the Courts costs are borne by the city and half by the county.

Parks and Recreation is shown by park in the following departments 0400 for Parks General, 0410 for Mills Park, 0420 for Midland Park, 0430 for Bishop Park and Center, 0440 for Alcoa Park and 0450 for Ashley Park. The city has a few more small parks but the expenses associated with these are shown under Parks General 0400. The Fire Department is in the General fund under 0500 and the reciprocal agreement the City has with Springhill Fire District is shown under department 0510. The Police Department is shown under Departments 0600 for General Patrol and Administration of PD, 0610 for the department that shows the costs and revenues associated with Dispatch and 911 calls, 0620 for the department that shows the costs and revenues associated with the School Resource Officer Program that is has its costs split between the City of Bryant and the Bryant School District, and the K9 unit costs are shown under department 0630. The General Fund accounts for all the City's financial resources of the general government except those required to be accounted for in another fund.

The Street Fund is 080 and is a special revenue fund used to account for all activities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street Fund is financed by state turnback funds and a portion of a state wide 1/2 cent sales tax and 30% of the 1% Designated Tax.

While Street is a Governmental Fund it is managed under the Public Works Director with all the Enterprise Funds.

Other Governmental Funds are shown together and listed in this document as Non Major. These Non Major Funds include some Special Revenue, Debt and a Construction Fund.

# Mayor at City Hall - 210 SW 3rd St.

Chris Treat was voted into office at the primary election on March 5, 2024.

The Mayor's office is responsible for overseeing departments and executing policies, including:

- Assuring that all City services are delivered to the citizens of Bryant in an effective, efficient, and equitable manner and in compliance with City Council policy
- Overseeing long-range planning and improvement of departmental management and service delivery

Serving as a catalyst for developing community-wide goals and mobilizing the resources to attain them

Serving as the primary outreach arm of the City government to other cities the business

community, and other government agencies.

#### 2024 Accomplishments:

- 1. Continued to monitor city spending to protect the financial security of the city.
- 2. Continued live streaming of council meetings and other public city meetings.
- 3. Continued to make improvements to stormwater infrastructure to mitigate flooding.
- 4. Continued to make improvements to the Water and Wastewater Infrastructure.
- 5. Continued to meet with local officials to build relationships and work together for the betterment of Bryant.
- 6. Continued to update city policies and procedures for more effective operations.
- 7. Continued to work to increase pay to city employees to aid in retention and to make Bryant more competitive.
- 8. Continued improvements to our Parks system to improve quality of life in Bryant.
- 9. Launched the We AR Bryant campaign, a proactive communication initiative that provides information and news about the city in the form of email, text, video, and social media
- 10. Completed the Bryant Parkway!

10. Completed the biyant Park

#### 2025 Goals:

- 1. Present an updated comprehensive growth plan and strategic plan for the City
- 1. Continue to Strengthen communication between the city administration, council, and residents.
- 2. Continue to collaborate with the Chamber of Commerce to attract new business and industry to Bryant.
- 3. Continue to update and improve city policies and procedures to enhance the efficiency of city government.
- 5. Continue to improve the city water and wastewater infrastructure.
- 6. Continue to improve connectivity to improve traffic flow through Bryant.
- 7. Continue to ensure public safety through continuous improvements in the police and fire departments.
- 8. Continue to improve the city stormwater system to mitigate flooding problems and improve property values.
- 9. Continue the multi-year improvements to the city park system to increase livability in Bryant.
- 10. Continue to work with City Council to ensure the smooth running of the city government.
- 11. Work to increase bilingual access for our residents through the city website and interactions.

In addition to all the department heads reporting directly to the Mayor two other positions do as well, the Mayor's Assistant/Legal Assistant and Maintenance for City Hall.

# City of Bryant, AR 2025 Budget Book Elected City Clerk at City Hall - 210 SW 3rd St.

Elected City Clerk, Mark Smith

Terms 2023 to 2026

the Current of the Cu

The City Clerk is an elected official, who like the Mayor and Council, works for the citizens.

Mission Statement: To ensure the City's legislative processes are open and transparent by providing a bridge between citizens and government through the dissemination of information, and to ensure the preservation, access and integrity of records required to be stored for legal and business purposes.

The Clerk's office provides staff support for the City Council, preparing and maintaining the Council meeting minutes and maintaining public access of the Ordinance Manuals. The City Clerk is responsible for recording and publicizing the proceedings of the meetings, preparing the council approved ordinances and resolutions which are numbered, signed by the mayor and attested by the clerk and sealed. The Clerk is the legal custodian of the city's official records and city seal.

It is also the duty of the City Clerk to receive, file, and retain the Code of Ethics and Financial Disclosure Statements from appointed municipal commissioners and elected officials, including the mayor, aldermen, clerk, treasurer, city attorney, and municipal judge and to work in cooperation with the Saline County Election Commission to prepare for City Elections. The term of office for the City Clerk is four years.

# Elected City Attorney at City Hall - 210 SW 3rd St.

#### Ashley Clancy

Mission Statement: It is the mission of the City Attorney's Office to provide sound legal advice to the Mayor, City Council, City Departments, Commissions and Committees. It is also our mission to initiate and defend legal actions on behalf of the City, which may include City employment and personnel matters, condemnations, property issues, zoning issues, contract and lease disputes, and other causes of action in both State and Federal Courts.

Additionally, it is the mission of this office to prosecute in the criminal division of Bryant District Court misdemeanor offenses, traffic law and ordinance violations which occur within the city Limits in a thorough, efficacious, and equitable manner and to assist the authorized and assigned departments in the enforcement of laws and the protection of the health, safety, and welfare of the citizens of the City of Bryant.

Goals

- 1. To promote integrity in all facets of work and professional conduct.
- 2. To serve our community with competent professional legal representation.
- 3. To treat all persons with a professional, respectful and compassionate manner.
- 4. To be accountable for ensuring the policies of the office and the needs of the community are served.
- 5. To be open and forthright in our communications with all parties involved in any city legal related issues.

Legal Advice to the Public

The City Attorney is the attorney for the City of Bryant as represented by the elected Mayor and Council Members. Because of that relationship, the office cannot represent or provide legal advice to the public, individual citizens or private organizations.

# The Human Resources Department at City Hall

HR Manager Alisha Runnells

HR Assistant Gracie Buchanan

Human Resources Director Charlotte Rue

Charlotte started at the City in Oct of 2015.

Mission Statement: The City of Bryant Human Resources Department is committed to providing all of our employees a stable and safe work environment with equal opportunity for learning, professional and personal growth. We strive to support our City's mission through the development of programs designed to help us recruit and retain the best of the best to serve our City. Through effective and consistent HR processes we are able to provide essential services to our employees.

2024 Accomplishments:

1. Successfully onboarded 43 employees.

2. Fully staffed HR Department after months of running short.

3. Continue to build out HR modules in the Tyler System.

4. Reorganized the Community Development Department in to what is now the City Planning Department.

2025 Goals:

1. Continue to update policies in order to remain in compliance with local and federal laws.

2. Continue to grow recruitment efforts in order to find top canidates for the City.

3. Implement better annual training opportunities for all employees.

4. Continue to work on document retention and destruction program for HR.

# The Finance Department at City Hall

Finance Director, Joy Black, shown to the left, joined the City of Bryant in August of 2014

Finance Coordinator I,

Crystal Winkler

Accounts Payable Technician, Tabatha Koder

Purchasing Manager,

Nichole Manley, previously the Finance Coordinator II promoted in June of 2024.

OPEN - A Part Time Position is still open but the City is not sure it is needed. On hold for further determination.

Mission Statement: In the spirit of excellence, integrity, and dedication, the Finance Department is committed to providing timely, accurate, clear and complete information to other city departments, the Council, and the community.

2024 Accomplishments:

1. Completion of the 2023 Audit, submitted to Council at the June 2024 Council meeting. (sent to GFOA in July)

- 2. For the 7th year in a row obtained the GFOA Budget Book Award (Budget Years 2018-2024)
- 3. Assisted with the Bryant Parkway financial management.
- 4. Continued to adhere to the Record Retention and Destruction Policy.
- 5. Finalized the general ledger conversion process.
- 6. Trained and put procedures in place to have back ups in the Finance Department for key functions.

2025 Goals:

1. Complete the 2024 Audit on or before June 30th of 2025.

2. For the 8th year in a row obtain the GFOA Budget Book Award.

- 3. Continue to explore aligning the funding for fleet vehicles across the city.
- 4. Assist the Mayor in wrapping up and reporting on the Bryant Parkway.

5. Continue to support the personnel in continuing their accounting and department education goals, including obtaining certificates.

6. Continue to work with the Department Heads on 5 year plans for Capital and Operations.

7. Work with the City Depts to build out the duties of the new Purchasing Mgn Position.

8. Assist the Mayor and Depts in working through changes to a new Reserve Policy

	2021	2022	2023	2024	2025
FT Employees	4	4	5	5	4.5

\* 5 positions were budgeted and approved but never filled. In 2024 we promoted from within and reduced down to 4.5 budgeted but only 4 are currently filled.

# Information Technology (IT) Department

- at City Hall

IT Support Technician, VACANT

Mission Statement: The City of Bryant Information Technology Department is committed to providing timely technical support for all departments in the city. We are responsible for maintaining, updating, and growing the City's network, as well as keeping it secure. We assist all departments with finding technical solutions that fit their needs, and strive to keep up with the ever-changing technology advances.

2024 Accomplishments:

- 1. Upgraded/replaced our internet firewall
- 2. Finished City wide wi fi rollout everywhere except Public Safety
- 3. Assisted the Police Dept with implementation of new in car and body worn cameras
- 4. Migrated/replaced Spillman and GIS Servers for the Police Dept
- 5. Assisted with the move of 911 Dispatch from Bryant to Saline County
- 6. Had network cabling installed at Fire Stations 2 and 3, Public Works, and Animal Control
- 7. Corrected a couple of hardware issues on the phyiscal servers at Public Safety to prevent outage
- 8. Implemented a network to provide internet access to the Public Works front gate access controller
- 9. Upgraded several servers on our network and upgraded/replaced serveral workstations and laptops

10. Upgraded our Active Directory domain from 2012 to 2016

2025 Goals:

1. Upgrade or decommission any servers that are running Operating System less than 2019

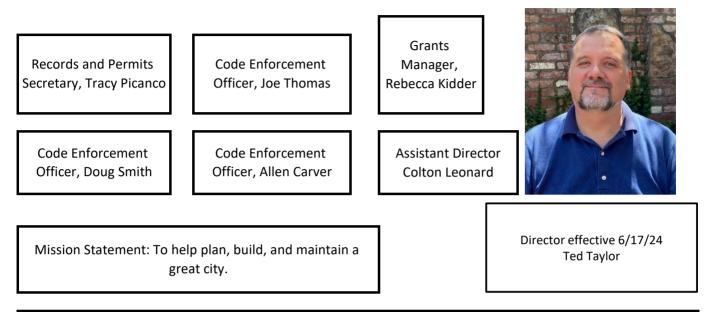

- 2. Implement network wide web filtering
- 3. Complete the implementation of the city wide wi fi network at Public Safety
- 4. Upgrade/replace all network infrastructure switches
- 5. Bring Courts computers onto the City domain network

# The Planning & Development Department at City Hall

2024 Accomplishments:

1. Implemented a change in the planning and permitting software to improve our processes and better serve the Community.

- 2. Acquired Professional Real Estate Services to aid multiple departments in any property matters.
- 3. Acquired Professional Architectural Services to aid in any conceptual building projects.
- 4. Aided other departments in updating Master Plans (Public Works and Parks).

2025 Goals:

- 1. Engage in an Updated City-wide Comprehensive Growth Plan with Land Use determination.
- 2. Research and analyze areas in the Territorial Jurisdiction for a Annexation Growth Plan.
- 3. Continuing applying for new grant opportunities.
- 4. Administer the building and maintenance code for the city.
- 5. Identify shortfalls in City Codes and Ordinances to work towards improving our community.
- 6. Optimize our community development software to continue to improve our processes.
- 7. Oversee a clear and efficient development process.

#### **Grants Received in 2024**

Patrick Leahy Bulletproof Partnership (BVP) The Local Law Enforcement Block Grant (LLEBG) Arvest Bank Foundation Grant Firehouse Subs Foundation Grant Metroplan: Surface Transportation Block Grant (STBG) Total Received \$247,225.05

# Metroplan STBG

#### Bryant Parkway Trail Connection - Design Cost Overrun

The Bryant Parkway Trail Connector project is located along the Bryant Parkway corridor, spanning from Raymar Road, crossing the I-30 corridor, and extending to Highway 5. The project connects two existing segments of the multi-use trail, with the southern limit at the Bryant Parkway bridge and the northern limit near Raymar Road. The design accommodates multiple transportation modes, including pedestrians and cyclists, providing a safe and accessible route over the I-30 corridor. The trail serves as a crucial link in the city's transportation network, connecting schools, parks, neighborhoods, and other key community locations.

#### Requested \$1,936,731.20 Received in 2024 for Design Cost Overrun \$220,000 Bryant's Match for Design Cost - \$44,000

#### Arvest Bank

RKANS

Each year, the Arvest Foundation ("Foundation") ask Arvest Bank Benton to advise the Foundation of outstanding charities doing great work to improve our local communities.

The purpose of this grant is to purchase new equipment for Police and Fire departments

Received \$10,000

## LLEBG

Assist with the cost of cameras for interview rooms Received \$7,400

#### Patrick Leahy BVP

#### 10 Point Blank Body Armor BII-5 Vests

The City of Bryant Police Department has applied for this grant to purchase 10 Point Blank Body Armor BII-5 bulletproof vests. These vests meet the latest safety standards, offering superior ballistic protection to enhance officer safety during high-risk situations. This grant will help replace outdated equipment, ensuring officers have reliable, advanced gear while managing costs and allocating resources effectively.

> 50/50 Match Received \$4,599.51 Bryant's Match \$4,599.51 Total \$9,199.02

## Firehouse

Purchase of 52 North American Rescue, RIG Series Eagle IFAK for Police Department

Received \$5,225.54

#### **Potential Grants in 2025**

Arkansas Department of Transportation (ArDOt) Transportation Alternative Program (TAP) Metroplan: Surface Transportation Block Grant (STBG) Great Strides/Trails for Life Arkansas Opioid Recovery Partnership (ARORP) Public Safety Equipment Grant (PSEG) Save Them All Grant National Shelter Grants Initiative with ASPCA

#### ARORP

Thermo Scientific ARORP-owned TruNarc Device

The City of Bryant Police Department has applied for the Arkansas Opioid Recoverv Partnership: Sentinel Project to receive a Thermo Scientific ARORP-owned TruNarc device. along with operational training and project milestones through **ARORP.** The Sentinel Project aims to serve as a substance identifier and early warning system for dangerous drug trends in Arkansas. Awardees will receive a **TruNarc Handheld Analyzer to** conduct field-based presumptive exams on suspected narcotics, precursors, and cutting agents, enhancing the department's ability to detect and respond to illicit drug activity.

No Match Required

#### Metroplan: STBG

Bryant Parkway Trail Connection -<u>Construction Portion</u>

The Bryant Parkway Trail Connector project is located along the Bryant Parkway corridor, spanning from Raymar Road, crossing the I-30 corridor, and extending to Highway 5. The project connects two existing segments of the multi-use trail, with the southern limit at the Bryant Parkway bridge and the northern limit near Raymar Road. The design accommodates multiple transportation modes, including pedestrians and cyclists, providing a safe and accessible route over the I-30 corridor. The trail serves as a crucial link in the city's transportation network, connecting schools, parks, neighborhoods, and other key community locations.

Requested \$1,936,731.20 Received in 2024 for Design Cost Overrun \$220,000

## ArDOT TAP 3 Grants

Debswood Park to Evans Loop Trail Connector Phase 1

This trail connector will span 0.5 mile long, linking Debswood Park, subdivisions, an apartment complex, a daycare, and businesses. This connection will enhance pedestrian and cyclist safety and foster a more accessible and interconnected community

> 80/20 Match Requested \$349,400 Bryant's Match \$87,350 Total \$436,750

#### Lights at Bishop

Bishop Park in Bryant offers extensive features including sports fields, a splash pad, ponds, a disc golf course, a walking trail, and more. Despite its popularity, the park faces a safety issue due to inadequate sidewalk lighting, with few areas sufficiently lit. Bishop Park Lighting Phase 1 will install lighting along the sidewalks through the park

> 80/20 Match Requested \$366,080 Bryant's Mætch \$91,520 Total \$457,600

Hilldale-Midland Connector Trail

Additional funding for the Hilldale-Midland Connector Trail part of the Walk, Bike, Drive Bryant Master Bike/Pedestrian Plan. This trail will span 2.4 miles and connect four neighborhoods, linking around 400 homes to amenities such as Midland Park, Parkway Elementary, and a future 59-acre Nature Park.

> 80/20 Match Requested \$400,000 Bryant's Match \$100,000 Total \$500,000

**Great Strides/Trails for Life** 

Mills Park Trail Renovation

More details available in the future.

No Match Required Requested \$43,000

## Animal Control and Adoption Center

- located at 25700 Interstate 30

The mission of Bryant Animal Control and Adoption Center is to provide compassionate, timely and effective response to domestic animal situations in order to ensure the safety of all citizens and animals through the consistent enforcement of state and local laws relating to the humane treatment, control of domestic animals, support and secure the human-animal bond.

#### 2024 Achievements:

1. Supported the Mayor in Strengthening Communication and Coordination between Leadership, Operations and Citizens by embracing the changes brought forth by Mayor Treat to rebuild trust between our department and the citizens.

Shelter Manager Rebecca Bennett and Sr. ACO Jackie Skasick coordinated their efforts to rewrite the SOP manual for the department, and Rebecca created a volunteer manual and training program.

3. Ensured Public Safety through continued cooperation with the other Public Safety Departments and residents – worked with Saline County to integrate public safety dispatch for the entire county.

4. Disaster Plan - Continued, including joining the State-Wide Animals in Disaster Coalition.

5. Tricia Power completed the Advancement of Animal Welfare's webinar series on DEI in the workplace.

6. The Shelter joined the Central Arkansas Rescue Transport Coalition.

7. All ACOs completed Levels 1-3 of Animal Control Officer Certification via the National Animal Control Association.

8. Tricia Power was elected the President of the Arkansas State Animal Control Association.

9. Began pilot program to explore extended hours of operation.

10. Improved life-saving over 2023 to nearly 90% without disrupting services to the community.

11. Continued to implement the 2023 Best Friends Life Saving Grant, giving away microchips to Bryant residents for their dogs and cats.

12. Installed pet microchip readers in all fire stations, and other businesses in and around Bryant.

13. Evaluated ordinances, submitted revisions to City Council for approval.

14. Repaired structural beams of the shelter.

15. Repaired and refurbished outside dog kennel areas.

16. Designed and installed wrap on transit van.

#### 2025 Goals:

1. Expand the volunteer program.

2. Continue Planning New Animal Shelter.

3. Implement the Community Cat Program, intended to reduce feral populations, while improving lifesaving efforts for cats.

4. Focus on removing barriers to adoption and expend reclaim efforts.

5. Replace all ACO vehicles, and purchase a horse and adoption trailer.

6. Explore and utilize ways to encourage community interest and involvement in the shelter.

7. Explore and utilize other avenues of taking a proactive role in pet ownership education.

	2021	2022	2023	2024	2025
FT Employees	6	10	10	10	10

This past year saw us bring about a huge win for the animals of Bryant! New partnerships started to take shape with Bryant Animal Control joining the Central Arkansas Rescue Transport Coalition (CART) as a hosting agency. This means that CART helps out with expenses for transport, and secures partnerships with out of state organizations and we provide the actual transportation. Together, we are able to save more lives across multiple agencies and jurisdictions in Arkansas. As a result, we were able to transfer nearly 200 (190) animals to shelter and rescue partners in 2024, which is nearly twice the number of animals we transferred in 2023 (115.) This, coupled with Fee Free Fridays and other adoption and reunification efforts have improved our life-saving abilities without sacrificing services.

Our current save rate for cats (as of August 2024) is 95%; for dogs, it is 76%; and for other companion animals & livestock it is 100%. The oldest pet that we saved this year was 19 years of age, and the youngest was less than 24 hours old.

Additionally, our volunteer program has restarted with a current roster of 68 individuals who do everything from in-shelter volunteering to social media shelter advocacy to fostering shelter pets in their homes.

Judge Stephanie Casady

at City Hall 208 SW 3rd Street

Mission: To serve the people by efficient and accessible administration of justice for all, to treat everyone with integrity, fairness and respect.

Executive Assistant to the Judge Debora Duncan

Deputy Court Clerks: Dominick Tate Debra Styles Rebekah Brown

Trial Coordinator Jackie Lindsey District Court Clerk Lindsey Dinwiddie

Ancillary District Court Clerk Melanie Smith

In Arkansas, district courts were formerly known as municipal courts before the passage of Amendment 80 to the Arkansas Constitution in 2000. Act 3 and Act 627 of 2009 created 25 pilot district judgeships in the state, two of which are in Saline County. The Saline County District Courts exercise countywide jurisdiction over misdemeanor criminal cases, preliminary felony cases, and in certain types of civil cases in matters of less than \$25,000. There are no jury trials in district court. In a district court trial, the judge makes both findings of fact and rulings of law.

A small claims division of the Saline County District Court is administered by the Bryant Department and presided over by Judge Casady of the Bryant Department. This small claims division provides the citizens of Saline County a forum in which citizens may represent themselves to resolve minor civil matters. No attorneys may take part in litigation in the small claims division.

#### City of Bryant, AR 2025

#### Budget Book Parks and Recreation Department

The Parks Committee meets once a month on the second Tuesday of the month at 6:00pm in the Bishop Park Conference Room.

2024 Accomplishments:

- 1. Council adopted the Parks Master Plan.
- 2. Repaired Aquatics retractable roof and sliding glass doors for full functionality
- 3. Repaired and upgraded drainage behind the Center at Bishop Park
- 4. Partnered with EMPact one Foundation to implement financial aid for youth programming

2025 Goals:

1. Replace pool dehumidifcation system in proposed Amendment 78 for funding

- 2. Construct trail connecting Mills Park and Alcoa 40 Park (Grant funded but requires a match)
- 3. Install lighting for Bishop Park sidewalks and parking lots (currently no definite funding plan, a grant has been applied for)
- 4. Expand internal programming (starting pickleball and disc golf)

# CAMPBELL LACROSSE FIELD

Salt County Lacrosse was founded in 2023 and has quickly made a major impact on our community. They currently field girls and boys high school lacrosse teams and will expand to a youth division in 2025. Since its inception and in thanks to their sponsors, Salt County Lacrosse has invested over \$30,000 to upgrades of the multi-purpose field at Alcoa 40 Park. On May 24, 2024, Mayor Chris Treat dedicated that field to be further known as the Campbell Lacrosse Field, named after title sponsor Campbell Dodge, making it the first dedicated lacrosse field in the state of Arkansas. On top of their monetary investment, Salt County Lacrosse has also logged hundreds of volunteer hours helping to maintain the field, the park and surrounding areas. Bryant Parks and Recreation is forever grateful to have community champions like Salt County Lacrosse; it is their passion and commitment that allows us to overcome barriers and provide new services to the youth of Bryant and surrounding communities.

Captain (4)	Captain (4)	Captain (4)	Training Officer (Battalion Chief Rank) David Slack				
Engineer (5)	Engineer (5)	Engineer (5)	ORVAND				
Firefighters (5)	Firefighters (5)	Firefighters (5)	FIRE SO CLASS 2				
*Continue to strive for excelle	s of life and property damage throug ence by providing the highest quality life and fire safety education throug	of customer service through	continued training and education				

\*Adapt to the ever changing needs of our community

\*Adequately plan and have a vision for progressive growth of our Fire Department within the community

#### 2024 Accomplishments:

1. Maintained ISO Rating of a 1

2. Placed our new 2023 Rosenbauer Rescue Pumper into Service

3. Administered Promotional Exams for 4 different ranks that resulted in the promotion of 6 of our personnel

4. Participated in a county wide Rescue Task Force training to better prepare our personnel for potential active shooter responses

5. Formed a committee to begin the process of purchasing our next Aerial Apparatus

6. Began the process of purchasing a 101' Rosenbauer King Cobra Aerial Apparatus that will replace our 2007 E-One Bronto 100' Aerial Apparatus (Lease Purchase payments to start in 2026)

7. Purchased 13 Zoll Automated External Defibrillators that will replace our current defibrillators that are over 10 years old

8. Proposed a potential land purchase for the department's future Station #4 (in proposed Amend 78)

#### 2025 Goals:

1. Maintain ISO rating of 1

2. Complete the process of purchasing the 101' Rosenbauer King Cobra Aerial Apparatus

3. Update our Basic Life Support Protocols

4. Continue to prepare for future Advanced Life Support Response Capabilities

5. Improve the condition of our Apparatus fleet with the assistance of our in-house maintenance program

6. Continue to improve our training and hydrant testing programs which will help to solidify our ISO Class 1 rating for future ISO Evaluations

7. Transition to our new Reporting Software. We will be transitioning from Emergency Reporting to ESO.

8. Continue to plan for the addition of Bryant Fire Department Station #4

	Totals	\$	6,071,690	\$	5,541,098	\$	5,381,236	\$	5,139,876		

Note highlighted above is a large difference due to \$150K of Turn out gear being bought in 2023.

48/96 hour schedule would be based on 2920 hrs per year. Training Officer and Fire Marshal are 40 hour per week positions based on 2080 hrs per year & 0 hrs of normally scheduled Overtime. Newly hired employees will start at either the certified or uncertified Firefighter position . To start at the certified Firefighter position the newly hired Firefighters must have IFSAC Firefighter I & II Certifications. Anytime an employee changes job positions they will start at 1st position for that Job Classification. An employee that maxes out in a position will be paid an annual bonus in the amount of \$50.00 per year starting the year after the employee maxes out in that position with a maximum bonus of \$1000.00.

#### Police Department - station at 312 Roya Lane

2024 Accomplishments:

- 1. Completed the transfer of the City's 911/Dispatch services to Saline County General (pending discussions on 2025 payment for this)
- 2. 40 hours of annual training (minimal) per Officer. Increased use of force and de-escalation training.
- 3. Implemented new software (Vector Solutions) for policies, procedures, and scheduling.

4. Installed new flooring on first floor of the Police Department.

2025 Goals:

1. Purchase a new drone to replace the current aging drone fleet (planning to fund from Special Rev Funds, Grants or Donations)

2. Continue to increase training available to staff.

Update and upgrade the department's sky watch surveillance tower (planning to fund from Special Rev Funds, Grants or Donations)
 Add four Patrol Officers (not currently funded in the 2025 budget)

CAPT = Captain		2021	2022	2023	2024	###

Mission Statement: Provide quality of life to residents by building and maintaining Public Works infrastructure to protect the health and welfare of the city residents, businesses, and visitors along with the environment. We will also provide superior customer service in a timely and efficient manner. The department works to provide these services, as well as to support economic growth and development, with the teamwork and trust of highly qualified and skilled personnel.

\*CSI stands for Certified Stormwater Inspector and CISEC for Certified Inspector for Sediment & Erosion Control \* IMSA stands for International Municipal Signal Association

2024 Public Works Accomplishments:

1. Completed the Master Plans for Water, and Stormwater with 10 year scopes, see Appendices.

2. Continued CAO Project Improvements and loading Capacity limits on the Sanitatary Sewer System.

2025 Public Works Goals:

1. Begin construction on the South Plain Water Tank using ARPA for Design and Bond for remaining.

- 2. Secure funding and a plan for Lift Station #5 project.
- 3. Complete a road Survey for rehab schedule

2024 Construction Project Coordination Accomplishments:

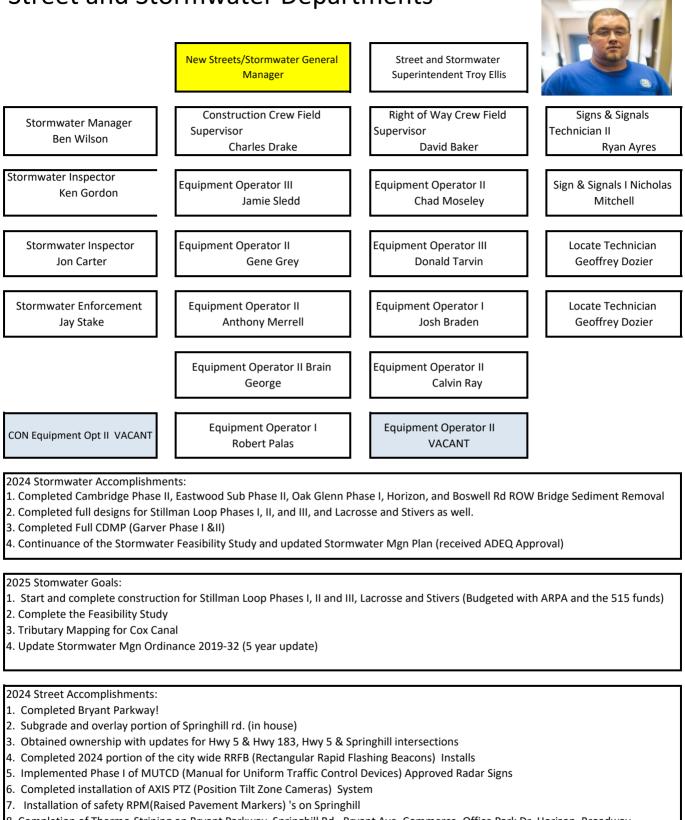

1. Began relocation of utility design for Hwy 5 widening project

2. Reviewed 18 pending projects as of 9/2024

3. Reviewed 61 Preliminary and final plat designs as of 9/2024

4. Subdivision infrastruture installation management

## Street and Stormwater Departments

8. Completion of Thermo-Striping on Bryant Parkway, Springhill Rd., Bryant Ave, Commerce, Office Park Dr. Horizon, Broadway, Harvest, Market, Carmichael, Wilkerson

9. Started city wide sidewalk repair (damaged, missing or ADA non compliant)

2025 Street Goals:

- 1. Complete RFQ for Street Planning, Construction, scheduling ROW acquisition (Budgeted under Prof Services Engineering in fund 080)
- 2. Install & Implement Phase II of MUTCD Approved Radar Signs (Signs purchased with 2024 budget)
- 3. Install 2025 Portion of city wide RRFB (Systems purchased with 2024 budget, installed in house)
- 4. Continue city wide sidewalk repair (in house under the Materials and Maintenance budget line in fund 080)

## **Bryant Drainage Master Plan**

#### **Garver Citywide Master Drainage Plan Update**

October 25, 2022

#### Citywide Drainage Master Plan

Overview of Scope and Purpose of Study

- Current Status
  - Finalizing Citywide Drainage Study Screening Moving toward Phase 2
  - Developing and evaluating alternatives for Boone Road area and Oak Glenn Subdivision
- Schedule
  - Phase 1 Estimated Completion of November 2022
  - Phase 2 Estimated to begin February 2023

Phase 2 began early in January 2023 and is estimated for completion November of 2024

Curently (9/18/24) Street's management would like to replace the following nine capital assets. However, the Street's savings have dropped below recommended levels so we do not feel like the city should buy these pieces of equipment outright. They could finance them over five years in two batches. The four highlighted items (\$1,002,000) are the most important to the daily operations and we'd like to explore financing their purchase in 2025. The other six (\$990,000) we'd consider starting to finance over five years in 2026. Street's at this time could only afford to do this plan if changes are made by Council to the current structure of the Stormwater costs/operations in conjunction with Council's review of the Stormwater Feasibility Study.

Year	Make	Model	VIN/SN:	2025	Estimated Cost
2002	16' Trail King		46	Replace	\$30,000.00
2006	Sakai Roller		VSV15-30172	Replace	\$100,000.00
2007	Mack	Granite C713	9292	Replace	\$212,000.00
2012	Freightliner		803		\$260,000.00
2015	Freightliner	Pac Mac Grapple Truck	995	Replace	\$235,000.00

## **Enterprise Funds**

The City has a major Enterprise Fund called the Utility Revenue Fund shown as number 500. This fund started out housing the collections of the water payments on the utility bills; however, wastewater funds are collected through this fund as well. Any Enterprise Fund revenues are collected through this fund and then distributed out to their separate funds via transfers. This began changing with a General Ledger Software Conversion in 2022. Going into 2023 it is planned for all of Water's revenues and expenses to be housed in Fund 500 and all of Wastewater's related revenues and expenses to be housed in Fund 510.

The water expenses are derived from the treatment and distribution of water to approximately 9000 customers. The Water department received its water from the Central Arkansas Water Authority in Little Rock, Arkansas. The expense to pay for the water is listed under the supplies category.

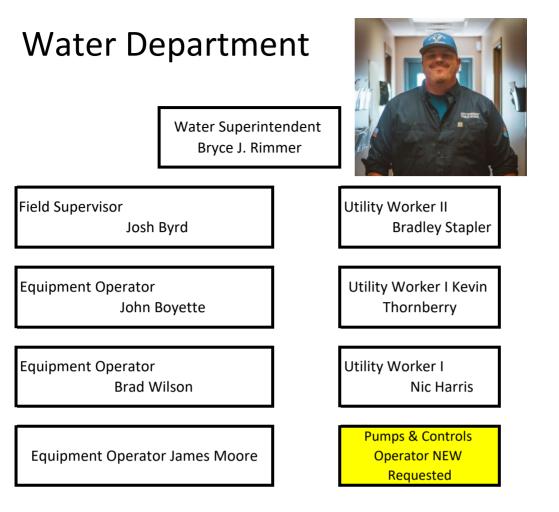

In 2016 the City added a new enterprise fund 515 for Stormwater capital costs. The city collects on the Utility bills \$3.00 from all residential customers and \$6.00 from all commercial customers to help fund capital projects associated with stormwater issues. Because many Stormwater issues are related and in Streets the Stormwater Personnel and related operating costs continue to be paid out of the Street Fund, see those related pages in this Budget Book for a complete picture of Stormwater issues.

The Water and Wastewater Divisions had Twenty Year Master Plans completed by Crist Engineering in 2008. New master plans are scheduled to be completed in 2024. The Public Works and Finance Directors have been reviewing these documents for possible inclusion into this document as Appendices. We would like to have all the future plan documents in one place for easy reference. However, first we want to review these documents to see how our current 2024 outlook lines up with the estimates and projections and completion schedules within these documents.

Over the past couple of years our Public Works Department has been striving to move from using all contractors to doing some work "in house." The City has attempted to hire additional employees to do this work. See below a list of "in house" projects planned for the 2024 year.

#### Street/Stormwater

Lacrosse and Stivers Drainage Improvements Install 2025 Portion of the City Wide RRFB Install & Implement Phase II of MUTCD Approved Radar Signs Continue City Wide Sidewalk Repair of damaged, missing or non ADA Compliant Wastewater +7000' Pipe Bursting – Basin 1,6, unmonitored (unmonitored basin is a basin that was not assigned a number) 4 Manhole replacements – Basin 1, unmonitored 18" Springhill Gravity Line Upsize/Relocation Lea Circle and gravity sewer relocation– ANRC funding obtained Lift Station 5 upgrade/rebuild – parallel Force Main

2024 Water Accomplishments:

1. Completed the Water Master Plan

2. Began the Rate and Impact Fee Studies

3. Completed the Lead/Cooper Service Line Database

2025 Water Goals:

1. Complete fire deficiency tie ins per the master plan

2. South Pressure Plain Tank Project

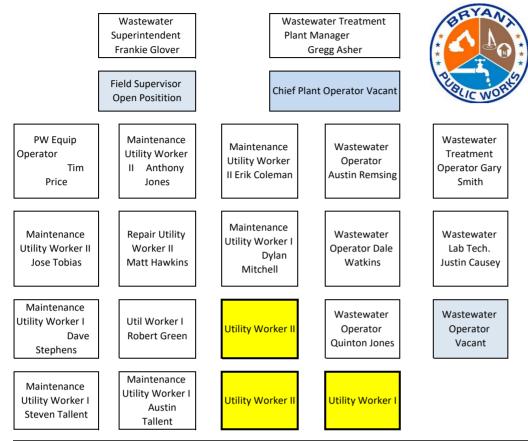

3. North Tank Repairs

## Wastewater Department

- The Wastewater Plant is located at 7064 Cynamide Drive

The Water and Wastewater Committee (WSAC) meets on the first Tuesday of each month at 6:00 pm.

2024 Wastewater Accomplishments:

1. Completed blower install and new air line header for 1 MGD Treatment facility

2. Replaced motor for aerator in eq basin

3. Completed sample collection profile for Wastewater Master Plan.

4. Repaired/replaced Lift Station 21 and 22

5. Began Rate Study

6. Secured Lea Circle Funding via ANRC

#### 2025 Wastewater Goals:

1. Continue pipe bursting

2. Lift Station #5 and Parallel Force Main

3. Springhill Gravity Line Construction

4. Repair/Replace Booster Pump Station PRV and Controls and Chlorinator and Lift Stations 4, 8, 18, 19, 24, and 29

#### Appendix 2 - Salaries, Wages, Benefits Allocation Review

It is a very common practice for shared cost centers in Administration or a general fund of a city to be allocated out to other funds. In the case of the City of Bryant services provided by the departments outlined below - Finance, HR, Attorney, Mayor, City Clerk, Information Technology, and the Engineer (serving as Planning Director) - are provided to the other departments but the costs associated with their payroll are housed in Administration (not the Engineer). To more accurately reflect these costs where they are utilized the Salaries, Wages, and Benefits Calculation is performed each budget season and an agreed upon amount is charged back to the other departments to reflect these costs/usages.

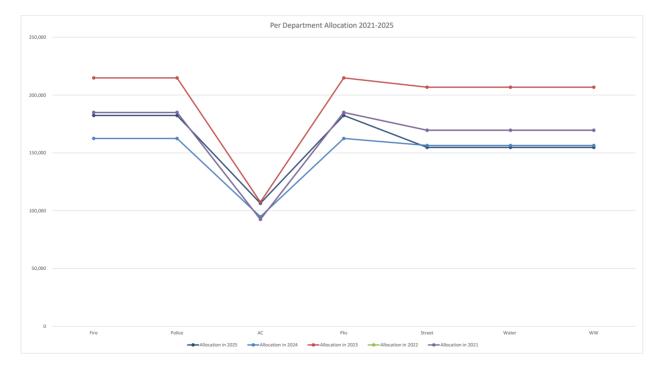

#### SWB Allocation Review (Salaries, Wages, and Benefits of Admin Staff)

In September of 2024 Department Heads from the seven depts shown below across the top of the chart from Admin were asked to divide 100% of their time amongst all the depts.

[		FIN	HR	ATT	MAY	CC	IT	ENG	total	Div by 7					Rounded
100	Admin	5.00	10	25.00	10.00	25.00	8.00	0.00	83.00	11.86

800+140	Street and Storm	18.00	10	5.00	10.00	3.33	8.00	20.00	74.33	10.62	32.00	31.57	PW %		154,751
900	Water	18.00	10	5.00	10.00	3.33	7.00	20.00	73.33	10.48					154,751
950	WW	18.00	10	5.00	10.00	3.33	7.00	20.00	73.33	10.48					154,751
	Total	100	100	100	100	99.99	100	100	700	100					1,117,798

Accounts 5000-5057 no travel/train is included from 2025 calculations. In 2024 it was determined that no change would be made to the SWB allocation amounts above for the 2025 Budget, 9/6/24 1,450,788.53 currently being evaluated again. Since the change would only be a savings to PW of \$1641 (\$156392-\$154751) for Water, Wastewater and Street the PW Director passed on the adjustment for 2025 and the amount will remain the same as those used for 2024, 10/16/24.

The City of Bryant started applying for the GFOA Budget Book Award in 2017. The City first received the Award for their 2018 Budget Book. Planning and long term goal setting have always taken place within the city but with the submission of the budget book these processes have begun to be more fully documented by the present City Finance Department.

The 2016 \$26 million dollar Bond issuance was under taken in part to fund two Fire Stations and several parks projects that had been planned for some time and in part were discussed in conjunction with a 2020 plan.

It was planned in both 2020 and 2021 to hold several joint meetings to begin to solidify a 2040 Plan between the City Chamber and the City's offices; however, because of COVID these meetings have been put on indefinite hold. On the City's side to start an informal process of listing items considered for General Fund for the next 20 years the Department heads were polled. Some of the items listed came from the feedback received from Department heads. We have been included this listing in the Budget Books for 2020, 2021, 2022, 2023, 2024 and now 2025.

The State of Arkansas mandates that General Funds be budgeted balanced each year excluding capital projects. In order for this to be clearly and transparently accomplished each year the Council has chosen to adopt the regular budget in December and then come back and adopt any capital for General Fund in January or in

This appendix for these funds is not intended to provide for precise budgeting. The costs are estimates. Annually in the Budgeting process updates to the plan, deletions, additions, delays or other revisions may occur which will reflect changing community needs and resources. Only after incorporation in successive budgets or as approved separately by the City Council will these items be considered funded.

Some of the items contained here in this appendix will require on going operational costs and in some cases produce operational savings. However, given the speculative nature of these items these operational additional costs or savings have not been estimated at this time.

Some of the items discussed for the 2040 plan may require additional review or approval by the various city committees/commission including but not limited to Water/Wastewater, Parks, Community Development and Review, Planning Commission and also review or discussion or reciprocal agreements with the County or State. Additionally some may require public hearings.

Four of the largest capital projects on the horizon in the next decade are a New or Significantly Improved City Hall, a new Fire Station up North, a new Police Headquarters, and a New Animal Control Facility. It is likely the three of these items together will total over \$10 million and will necessitate the issuance of Bonds to pay for them. Starting December 1, 2026 is the first time the Sales and Use Bond from 2016 can be called and/or considered for refinancing. It is possible we could go to a vote of the people at that time for refinancing this debt and pull out money and extend the Sales Tax to pay for these large improvements. This is something Council should be considering at this time.

The paragraph above has been in the Budget Books for 2022 to 2025; however in September of 2024 Mayor Treat discussed a new possibility with City Council and Bond Counsel. The advanced refunding of the 2016 Debt to build an outdoor entertainment venue. Currently at 10.30.24 this is being explored as a possibility. It is believed with a Special Election vote on May 13th of 2025 that the debt could be extended without increasing the sales tax on the citizens. Extending the debt out would allow for an additional approximate \$25 million to be used for the Entertainment venue. It is also possible that the increased sales tax such a venue would produce could be used to fund some if not all of the above projects - perhaps instead of new facilities we could repair and improve our current facilities.

Grader comments in past years have asked for a review of facility operational costs. For the 2023 Budget Book after adoption, we put this chart together. We gained a lot from that review so we have kept in for the 2024 and 2025 budget books. As is typical you do not want to overbudget for your Utilities and other facility maintenance costs but you also do not want to drastically underfund these areas either. Reviewing this helps the City at large to budget for these areas more efficiently. We have shaded those areas that are over or under by more than \$5K.

# Glossary:

Accrual - revenue and expenses are recorded when they are incurred.

Act 474 Sur Charge is paid by the Code Department to the State.

Ad Valorem - a basis for levy of taxes upon property based on value.

Agency Fund - a fund consisting of resources received and held by the govermental unit as an agent

Arbitrage - the simultaneous buying and selling of securities, currency, or commodities in different markets or in derivative forms in order to take advantage of differing prices for the same asset. Audit - an official inspection of an individual's or organization's accounts, typically by an independent

Balanced Budget - a budget balanced by fund, means the total anticipated revenues are equal to or exceed the budgeted expenditures for that fund.

BOND: (Debt Instrument): A written promise to pay a specified sum of money (called the principal amount or face value) at a specified future due date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (called the interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures. The difference between a note and a bond is that the latter is issued for a longer period (over 10 years) and requires greater legal formality.

Budget - an annual or other regular estimate of revenues and expenditures put forward by the government, often including details of changes in taxation or other revenue sources.

Capital Expenditures - as also described for this particular Entity/City on page 13 are reviewed starting at \$5000 with a life of two or more years and the common definition is money spent by a business or organization on acquiring or maintaining capital assets, such as land, buildings, and

Capital Projects Fund - A fund created to account for all resources to be used for the acquisition or construction of designated capital assets.

Cash basis is a major accounting method by which revenues and expenses are only acknowledged when the payment occurs.
