[A Registration Certificate and Record of Payment of Advances shall be attached to the bond along with an Exhibit A setting forth the monthly principal amounts to be paid.]

Section 7. The rates charged for services of the System heretofore fixed by ordinances of the City and the conditions, rights and obligations pertaining thereto, as set out in these ordinances, are hereby ratified, confirmed and continued.

The City covenants and agrees that the rates established will produce gross Revenues at least sufficient to pay monthly operation, maintenance and funded depreciation expenses of the System, pay the principal of and interest on all outstanding obligations to which Revenues are pledged ("System Obligations"), as the same become due, pay any financing, servicing and administrative fees in connection therewith as the same become due, and create and maintain any required debt service reserves ("Required Payments"). The City covenants always to maintain rates (including increases as necessary) which will provide for the Required Payments. The rates currently in effect for water service shall not be reduced without the prior written consent of ANRC and the Bondholder.

Section 8. The Treasurer of the City shall be the statutory custodian of the Revenues. Each employee of the City handling Revenues shall give bond for the faithful discharge of his or her duties in such amounts as approved by the City Council. All Revenues shall at all times be accounted for separately and distinctly from other moneys of the City and shall be used and applied only as provided herein. Except as hereinafter provided, all Revenues shall be deposited in such depository or depositories for the City as may be lawfully designated from time to time by the City; subject, however, to the giving of security as now or hereafter may be required by law, and provided that such depository or depositories shall hold membership in the Federal Deposit Insurance Corporation ("FDIC") or any successor entity. All deposits shall be in the name of the City and shall be so designated as to indicate the particular fund to which the Revenues belong. Except as hereinafter provided, all payments from the respective funds

shall be by check or voucher, signed by two persons designated by the City Council and drawn on the depository with which the moneys in the fund shall have been deposited and each such check or voucher shall briefly specify the purpose of the expenditure.

Section 9. The City covenants that it will operate the System as a revenue producing undertaking and will not sell or lease the same, or any substantial portion thereof, without the prior written approval of the Bondholder and ANRC; provided, however, that nothing herein shall be construed to prohibit the City from making such dispositions of properties of the System and such replacements and substitutions for properties of the System as shall be necessary or incidental to the efficient operation of the System.

Section 10. All Revenues shall be deposited into a special fund heretofore created and designated "Water and Sewer System Revenue Fund" (the "Revenue Fund"). Moneys in the Revenue Fund shall be applied to the payment of the expenses of operation and maintenance of the System, to the payment of the principal of and interest on outstanding System Obligations, to the establishment and maintenance of any required debt service reserves and to the providing of any required depreciation fund.

Section 11. There shall first be paid from the Revenue Fund into a fund heretofore created and designated "Water and Sewer System Operation and Maintenance Fund" (the "Operation and Maintenance Fund"), on or before the first business day of each month, an amount sufficient to pay the reasonable and necessary monthly expenses of operation, repair and maintenance of the System for such month and from which disbursements shall be made only for those purposes. Fixed annual charges such as insurance premiums and the cost of major repair and maintenance expenses may be computed and set up on an annual basis, and one-twelfth (1/12) of the amount thereof may be paid into the Operation and Maintenance Fund each month.

If in any month for any reason there shall be a failure to transfer and pay the required amount into the Operation and Maintenance Fund, the amount of the deficiency shall be added to the amount otherwise required to be transferred and paid into the fund the next succeeding month. If in any fiscal year a surplus shall be accumulated in the Operation and Maintenance Fund over and above the amount necessary to meet the requirements thereof during the remainder of the then current fiscal year and the next ensuing fiscal year, such surplus may be transferred into the Revenue Fund.

Section 12. (a) After making the required payments into the Operation and Maintenance Fund and into the bond funds for the Senior Bonds, there shall be paid, contemporaneously with the required payment into the bond fund for the Parity Bond, from the Revenue Fund into a special fund in the name of the City to be created by the Bondholder and designated "Series 2024" (the "ADFA Bond Fund") for the purpose of paying the principal of and interest on the bond the amounts specified in (b) below.

(b) Commencing on September 1, 2026, there shall be deposited from moneys in the Revenue Fund into the ADFA Bond Fund an amount equal to the principal of and interest on the bond due on such date. Moneys in the ADFA Bond Fund shall be used to pay the principal of and interest on the bond when due.

(c) When the moneys held in the ADFA Bond Fund shall be and remain sufficient to pay in full the principal of and interest on the bond, the City shall not be obligated to make any further payments into the ADFA Bond Fund.

(d) The bond shall be specifically secured by a pledge of all Revenues required to be placed into the ADFA Bond Fund. This pledge in favor of the bond is hereby irrevocably made according to the terms of this Ordinance, and the City and its officers and employees shall execute, perform and carry out the terms thereof in strict conformity with the provisions of this Ordinance.

Section 13. After making the payments and deposits described in Sections 11 and 12, there shall be paid from the Revenue Fund the Servicing Fee to the Authority. The Servicing Fee shall be payable on each date interest on the bond is due and shall be calculated on the same basis as interest on the bond. The payment of the Servicing Fee is expressly made subordinate to the payment of the principal of and interest on the bond.

Section 14. After making the payments and deposits described in Section 11, 12 and 13, there shall be paid from the Revenue Fund into a special fund heretofore created and designated "Water and Sewer System Depreciation Fund" (the "Depreciation Fund"), an amount equal to (a) 5% of the gross Revenues for the preceding month or (b) such other amount required by State law. The moneys in the Depreciation Fund shall be used for the purpose of paying the costs of repairs or replacements made necessary by the depreciation of the System.

Section 15. The City shall assure that (i) not in excess of 10% of the proceeds of the bond is used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a Private Business Use; and (ii) that, in the event that both (A) in excess of 5% of the proceeds of the bond are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of proceeds of the bond used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Improvements.

The City shall assure that not in excess of 5% of the proceeds of the bond are used, directly or indirectly, to make or finance a loan to persons other than state or local governmental units.

As used in this Section, "Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other

than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

The City covenants that it will not enter into any wholesale water contracts with non-governmental entities or modify existing wholesale water contracts with non-governmental entities for the sale of water by the City if such contracts or modifications of existing contracts will cause a violation of this Section.

Section 16. The principal and interest installments shall be prepayable prior to maturity as provided in the bond form in Section 6 hereof.

Section 17. (a) The City may issue additional bonds senior to the lien on Revenues in favor of the bond to finance or pay the cost of constructing extensions, betterments and improvements to the System or to refund other outstanding System Obligations if there shall have been procured and filed with the City Clerk and the Bondholder a statement by a certified public accountant not in the regular employ of the City ("Accountant") reciting the opinion that (i) the Net Revenues (Net Revenues being gross Revenues less operation and maintenance expenses, but not including interest and depreciation) for the fiscal year preceding the year in which such additional bonds are to be issued were not less than 120% of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Obligations and the bonds then proposed to be issued or (ii) the Net Revenues for the fiscal year succeeding the year in which such additional bonds are to be issued are projected to be sufficient in amount, taking in consideration any enacted increase in Revenues, to be not less than 120% of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Obligations and the bonds then proposed to be issued.

(b) The City may issue additional bonds on a parity with the lien on Revenues in favor of the bond to finance or pay the cost of constructing extensions, betterments and improvements to the System or to refund other outstanding System Obligations if there shall have been procured and filed with the City Clerk and the Bondholder a statement by an Accountant reciting the opinion that (i) the Net Revenues for the fiscal year preceding the year in which such additional bonds are to be issued were not less than 110% of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Obligations and the bonds then proposed to be issued or (ii) the Net Revenues for the fiscal year succeeding the year in which such additional bonds are to be issued are projected to be sufficient in amount, taking in consideration any enacted increase in Revenues, to be not less than 110% of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Obligations and the bonds then proposed to be issued.

(c) The additional bonds, the issuance of which is restricted and conditioned by this Section, shall not be deemed to mean bonds the security and source of payment of which are subordinate and subject to the priority of the bond and such additional bonds may be issued without complying with the terms and conditions of this Section.

Section 18. It is covenanted and agreed by the City with the Bondholder and ANRC that it will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State and by this Ordinance, including, without limitation, the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, segregating Revenues and applying them to the respective funds maintained pursuant to the 2011 Ordinance, the 2017 Ordinance, the Parity Ordinance and this Ordinance.

The City covenants and agrees that the Bondholder shall have the protection of all the provisions of the Authorizing Legislation, and that the City will diligently proceed to enforce those provisions to the end of the Bondholder realizing fully upon its security. And, if the City shall fail to proceed within 30 days after written request shall have been filed by the Bondholder, the Bondholder may proceed to enforce all such provisions.

If there be any default in the payment of the principal of or interest on the bond, or if the City defaults in any ADFA Bond Fund requirement or in the performance of any of the other covenants contained in this Ordinance, the Bondholder may, by proper suit, compel the performance of the duties of the officials of the City under the laws of the State. In the case of a default in the payment of the principal of and interest on the bond, the Bondholder may apply in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the System on behalf of the City and the Bondholder with power to charge and collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for the payment of the expenses of operation, repair and maintenance and to pay the bond and interest outstanding and to apply Revenues in conformity with this Ordinance. When all defaults in principal and interest payments have been cured, the custody and operation of the System shall revert to the City. No remedy herein conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy or remedies herein provided or provided by law, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or given by law. No delay or omission of the Bondholder to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any default or an acquiescence therein; and every power and remedy given by this Ordinance to the Bondholder may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon. Any costs of enforcement of the bond or of any provision of this Ordinance, including reasonable attorney's fees, shall be paid by the City. The Authority may enforce all rights and exercise all remedies available to the Bondholder in the event the Servicing Fee is not paid when due.

Section 19. When the bond has been executed and sealed as herein provided, it shall be delivered to the Bondholder upon payment of all or a portion of the purchase price in accordance with the Agreement. The sale proceeds shall be deposited, as and when received, in a special account of the City hereby created in a bank selected by the City that is a member of the FDIC and designated the "2024 Water Construction Fund" (the "Construction Fund"). The moneys in the Construction Fund shall be used for directly paying, or reimbursing the City for, the costs of accomplishing the Improvements, expenses incidental thereto and the expenses of issuing the bond approved in accordance with the Agreement. Payments from the Construction Fund shall be by check or voucher signed by two persons designated by the City Council and drawn on the depository. Each such check or voucher shall briefly specify the purpose of the expenditure.

When the Improvements have been completed and all required expenses paid and expenditures made from the Construction Fund for and in connection with the accomplishment of the Improvements and the financing thereof, this fact shall be evidenced by a certificate signed by the Mayor and by the consulting engineer, which certificate shall state, among other things, the date of the completion and that all obligations payable from the Construction Fund have been discharged. A copy of the certificate shall be filed with the depository bank, the Bondholder and ANRC.

Section 20. The terms of this Ordinance shall constitute a contract among the City, the Bondholder and ANRC and no variation or change in the undertaking herein set forth shall be made while the bond is outstanding unless consented to in writing by the Bondholder and ANRC.

Section 21. The City agrees that it will keep proper records, books and accounts relating to the operation of the System, which shall be kept separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the operation of the System in accordance with generally accepted government accounting standards. Such books shall be available for inspection by the Bondholder and ANRC, or the agent or the representative of either, at reasonable times and under reasonable circumstances. The City agrees to have these records audited by an Accountant at least once each year and a copy of the audit report shall be furnished to ANRC and the Bondholder. In the event the City fails or refuses to furnish or cause such reports to be furnished, the Bondholder may have the reports made, and the cost thereof shall be charged against the Operation and Maintenance Fund.

Section 22. The City covenants and agrees that it will maintain the System in good condition and operate it in an efficient manner and at reasonable cost. The City agrees that, to the extent comparable protection is not otherwise provided to the satisfaction of the Bondholder and ANRC, it will insure, and at all times keep insured in a responsible insurance company or companies selected by the City and authorized and qualified under the laws of the State to assume the risk thereof, all above-ground structures of the System against loss or damage thereto in amounts and against such risks as are customarily insured against in connection with similar facilities and undertakings as the System. In the event of loss, the proceeds of such insurance shall be applied solely toward the reconstruction, replacement or

repair of the System, and in such event the City will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement and repair work.

Section 23. In the event the office of Mayor, City Clerk, City Treasurer or City Council shall be abolished, or any two or more of such offices shall be merged or consolidated, or in the event the duties of a particular office shall be transferred to another office or officer, or in the event of a vacancy in any such office by reason of death, resignation, removal from office or otherwise, or in the event any such officer shall become incapable of performing the duties of his office by reason of sickness, absence from the City or otherwise, all powers conferred and all obligations and duties imposed upon such office or officer shall be performed by the office or officer succeeding to the principal functions thereof, or by the office or officer upon whom such powers, obligations and duties shall be imposed by law.

Section 24. There shall be a statutory mortgage lien upon the water facilities which are part of the System (including all extensions, improvements and betterments now or hereafter existing) which shall exist in favor of the owner of the bond, and such water facilities shall remain subject to such statutory mortgage lien until payment in full of the principal of and interest on the bond, provided, however, that such statutory mortgage lien shall be interpreted according to the decision of the Supreme Court of the State in City of Harrison v. Braswell, supra.

Section 25. (a) Moneys held for the credit of all funds created hereby shall be continuously invested and reinvested in direct obligations of, or obligations the principal of and interest on which are fully guaranteed by, the United States Government ("Government Obligations"), or other investments as may be from time to time authorized by law, which mature or which shall be subject to redemption by the holder, at the option of such holder, not later than the date or dates when the moneys will be needed for the purposes intended.

(b) Obligations so purchased as an investment of moneys in any such fund shall be deemed at all times to be a part of such fund, and the interest accruing thereon and any profit realized from such investment shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund.

(c) Moneys so invested in Government Obligations need not be secured by the depository bank.

Section 26. The references to the payment of interest in this Ordinance are not intended to impute or imply that interest is payable on the bond. The City acknowledges that the interest rate for the bond is 0%. The references to the payment of interest are included for purposes of calculating the amount of the Servicing Fee and determining the dates that the Servicing Fee is due.

Section 27. The City agrees that the Bondholder may pledge the bond as security for the ADFA Bonds, and the ADFA Trustee and/or the municipal bond insurer for the ADFA Bonds may exercise any rights and remedies available to the Bondholder under this Ordinance or the Agreement while the bond is pledged and/or the ADFA Bonds are insured. In

addition, the City agrees that while the bond is pledged and/or the ADFA Bonds are insured, copies of all financial information shall be furnished to the ADFA Trustee and/or the municipal bond insurer.

Section 28. A copy of the Agreement shall be filed in the office of the City Clerk where it may be inspected by any interested person.

Section 29. The provisions of this Ordinance are hereby declared to be separable, and if any provision shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of this Ordinance.

Section 30. References in this Ordinance to "Bondholder" shall include the original Bondholder or any registered assign thereof.

Section 31. All ordinances and resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.
