**ITEM HISTORY** (Previous Council reviews, action related to this item, and other pertinent history)

Preliminary subdivison plat for this property was approved by the Planning Commission on 6/12/2024. Petition for Annexation filed with county on 5/13/2024. Verified by Order from County Judge on 6/3/2024.

---

**ITEM COMMENTARY** (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

This is an annexation for a property in the City's Planning Area that abuts the City Limits. The property is being developed as a subdivison and has gone through DRC for Review and to Planning Commission where the Preliminary Plat was Approved. This annexation will be beneficial to the City of Bryant as the property will work to extend our city limits North towards existing Sewer infrastructure and other subdivisons with pre-annexation agreements. Based on the Planning Commission's Approval of Preliminary Plat and the completion of annexation requirements, it is recommended that the annexation be accepted. Our plan is to seek annexation of all of Midland Estates, as our Fire and Police already serve the area and will continue serving there. Annexing this area will allow the City to collect property and sales tax from residents there, which will help the City to recoup funds from the cost of services.
