<p>INSTRUCTIONS TO VOTER Vote on the race or measure by placing an appropriate mark (blacken the oval <input type="radio"/>) beside the measure either FOR or AGAINST, or beside the candidate's name.</p> <p>If you vote for more than one candidate in a race, your vote in that race will not count. If you vote both FOR and AGAINST on a measure, your vote will not count in that measure. If you make a mistake on your ballot, return it to an election official for a replacement ballot. You may replace up to two ballots in an election.</p> <p>ABSENTEE VOTERS If you vote for more than one candidate in a race (overvote), your vote in that race will not count. The instructions at the top of the ballot regarding correcting an overvoted ballot direct the voter to return his/her ballot to an election official for a replacement ballot. This is often not possible for absentee voters. If you make a mistake on your absentee ballot, you may either receive a replacement ballot or clarify the overvoted race by making an additional mark, such as an arrow pointing to your preferred candidate's name, indicating your support for a single candidate.</p>		<p align="center">CITY OF BRYANT FIRE BONDS</p> <p align="center">FIRE DEPARTMENT IMPROVEMENT BONDS</p> <p>An issue of bonds of the City of Bryant in the maximum aggregate principal amount of \$4,400,000 for the purpose of financing all or a portion of the costs of firefighting facility improvements, including particularly, without limitation, two new fire stations and any equipment, furnishings and parking, street, lighting and utility improvements therefor.</p> <p>The bonds will be secured by a pledge, as collateral, of the collections of the 0.375% local sales and use tax currently levied within the City by Ordinance No. 2006-18, adopted April 24, 2006 (the "Tax").
