QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty mentioned satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

EDUCATION AND EXPERIENCE

Mental alertness and adaptability to office and field area work routines. Equivalent to four years high school, with particular emphasis during high school in office skills, shop skills, or others, plus 0 to 6 months related experience or training. Or equivalent combination of education and experience.

RESPONSIBILITY FOR FUNDS, PROPERTY and EQUIPMENT

None.

SUPERVISORY RESPONSIBILITIES

None.

COMMUNICATION SKILLS

Ability to effectively communicate information and respond to questions in person-to-person and small group situations with customers, clients, general public and other employees of the organization.

MATHEMATICAL SKILLS

Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals. Ability to compute rate, ratio, and percent and to prepare and interpret bar graphs.

CRITICAL THINKING SKILLS

Ability to use common sense understanding in order to carry out detailed written or oral instructions. Ability to deal with problems involving a few known variables in situations of a routine nature.

SUPERVISION RECEIVED

Under general supervision where standard practice enables the employee to proceed alone on routine work, referring all questionable cases to supervisor.

PLANNING

Limited responsibility with regard to general assignments in planning time, method, manner, and/or sequence of performance of own work operations.

DECISION MAKING

Performs work operations which permit frequent opportunity for decision-making of minor importance and which would not only affect the operating efficiency of the individual involved, but would also affect the work operations of other employees and/or clientele to a slight degree.

MENTAL DEMAND

Moderate mental demand. Operations requiring almost continuous attention, but work is sufficiently repetitive that a habit cycle is formed; operations requiring intermittent directed thinking to determine or select materials, equipment or operations where variable sequences may be selected by the employee.
