Payments of the principal and interest installments due hereon shall be made, except for final payment, without presentation and surrender of this bond, directly to the registered owner at his address shown on the bond registration book of the City maintained by the City Clerk as Bond Registrar, and such payments shall fully discharge the obligation of the City to the extent of the payments so made.

This bond is issued for the purpose of providing financing of all or a portion of the costs of constructing betterments and improvements to the sewer facilities of the water and sewer system of the City (the "System") and costs of authorizing and issuing this bond, and is issued pursuant to and in full compliance with the Constitution and laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 234, Subchapter 2, Title 14, Chapter 164, Subchapter 4, and Title 14, Chapter 235, Subchapter 2, of the Arkansas Code of 1987 Annotated and applicable decisions of the Supreme Court of Arkansas, including particularly City of Harrison v. Braswell, 209 Ark. 1094, 194 S.W.2d 12 (1946), and pursuant to Ordinance No. \_\_\_\_\_ of the City, duly adopted and approved on the 31st day of May, 2012 (the "Authorizing Ordinance"). Reference is hereby made to the Authorizing Ordinance for the details of the nature and extent of the security and of the rights and obligations of the City and the registered owner of this bond.

This bond may be assigned with the written approval of the Arkansas Natural Resources Commission (the "Commission"), and in order to effect such assignment the assignor shall promptly notify the City Clerk by registered mail, and the assignee shall surrender this bond along with a written approval of the Commission to the City Clerk for transfer on the registration records. Every assignee shall take this bond subject to all payments and prepayments of principal and interest (as reflected by the Payment Record maintained by the City Clerk), prior to such surrender for transfer.

This bond may be prepaid at the option of the City from funds from any source, in whole but not in part, at any time on and after October 15, 2022, at a prepayment price equal to the principal amount outstanding, plus accrued interest to the prepayment date. Notice shall be given of such prepayment to the owner of this bond or registered assigns at least 90 days prior to the prepayment date. Such notice shall be in writing mailed to the address of the owner of this bond or registered assigns at the address as reflected on the bond registration books of the City Clerk.

This bond does not constitute an indebtedness of the City within any constitutional or statutory limitation or provision. This bond is a special obligation payable solely from the revenues derived from the operation of the System. In this regard, the pledge of System revenues is subordinate to the pledge of System revenues to the City's Water and Sewer Refunding Revenue Bonds, Series 2008A and Series 2008B and the City's Water and Sewer Revenue Bond, Series 2011, so long as any of such obligations are outstanding. A sufficient amount of System revenues to pay principal and interest has been duly set aside and pledged as a special fund for that purpose, identified as the "ADFA Bond Fund," in the Authorizing Ordinance. The City has fixed and has covenanted and agreed to maintain rates for use of the System which shall be sufficient at all times to at least provide for the payment of the reasonable expenses of operation and maintenance of the System, to provide for the payment of the

principal of and interest on all the outstanding bonds to which System revenues are pledged as the same become due, to establish and maintain debt service reserves and to provide a depreciation fund, all as set forth in the Authorizing Ordinance.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by the Constitution and statutes of the State to exist, happen and be performed precedent to and in the issuance of this bond do exist, have happened and have been performed in regular and due time, form and manner as required by law; that this bond does not exceed any constitutional or statutory limitation of indebtedness; and that provision has been made for the payment of the principal of and interest on this bond, as provided in the Authorizing Ordinance.

IN WITNESS WHEREOF, the City of Bryant, Arkansas has caused this bond to be executed in its name by its Mayor and City Clerk, thereunto duly authorized, and its corporate seal to be affixed, all as of the 31st day of May, 2012.

[A Registration Certificate and Record of Payment  
of Advances shall be attached to the bond.]

Section 7. The City has heretofore fixed water and sewer rates by ordinances of the City duly adopted. Reference is hereby made to such ordinances for the details thereof and other provisions pertaining thereto, which water and sewer rates are hereby confirmed and continued as provided therein.

The City covenants and agrees that the rates established will produce gross Revenues at least sufficient to pay monthly operation, maintenance and funded depreciation expenses of the System, pay the principal of and interest on all outstanding obligations to which Revenues are pledged ("System Bonds"), as the same become due, pay the Servicing Fee as the same become due, and create and maintain any required debt service reserves ("Required Payments"). The City covenants always to maintain rates (including increases as necessary) which will provide for the Required Payments. The rates currently in effect for sewer service shall not be reduced without the prior written consent of the Commission and the Bondholder.

**Section 8.** All of the provisions of the 2008 Ordinance and the 2011 Ordinance (collectively, the "Senior Ordinances") (including those incorporated by reference but excluding those provisions clearly inapplicable hereto or in direct conflict herewith), including, without limitation, the provisions pertaining to the collection, the investment and the handling of Revenues and funds, to the operation, maintenance and care of the System, to vacancies in offices, and to the depreciation of the System, are hereby made applicable hereto and are incorporated herein by reference as though fully set forth at this point. The effect of the above covenant shall be to continue the applicable provisions in full force and effect until the bond is paid, or provision made therefor, even after the payment of the Senior Bonds.

**Section 9.** The City covenants that it will continuously operate the System as a revenue-producing undertaking and will not sell or lease the same, or any substantial portion thereof, without the prior written approval of the Bondholder and the Commission; provided, however, that nothing herein shall be construed to prohibit the City from making such dispositions of properties of the System and such replacements and substitutions for properties of the System as shall be necessary or incidental to the efficient operation of the System as a revenue-producing undertaking.

**Section 10.** (a) After making the required payments into the Water and Sewer System Operation and Maintenance Fund (the "Operation and Maintenance Fund") being maintained in accordance with the Senior Ordinances and into the bond funds for the Senior Bonds and any additional bonds having a priority on the pledge of Revenues over the pledge in favor of the bond, there shall be paid from the Water and Sewer System Revenue Fund (the "Revenue Fund") being maintained in accordance with the Senior Ordinances into an account of the City in a special fund to be created by the Bondholder and designated "Series 2012" (the "ADFA Bond Fund") for the purpose of paying the principal of and interest on the bond the amounts specified in (b) below.

(b) In order to pay interest on the bond, there shall be deposited from moneys in the Revenue Fund into the ADFA Bond Fund on each April 15 and October 15 after the bond is issued and delivered until October 15, 2014, the interest due on the bond on such dates. Commencing on the first business day of each month thereafter, there shall be deposited from moneys in the Revenue Fund into the ADFA Bond Fund an amount equal to 1/6 of the amount of principal of and interest on the bond next due (or due in case of the months of April and October).

(c) If Revenues are insufficient to make the required payment on or before the first business day of the following month into the ADFA Bond Fund, then the amount of any such deficiency in the payment made shall be added to the amount otherwise required to be paid into the ADFA Bond Fund on the first business day of the next month.

(d) When the moneys held in the ADFA Bond Fund which represent payments by the City and interest earnings thereon or proceeds of investments therefrom (collectively, "City Funds") shall be and remain sufficient to pay in full the principal of and interest on the bond, the City shall not be obligated to make any further payments into the ADFA Bond Fund.

(e) All moneys in the ADFA Bond Fund representing City Funds shall be used solely for the purpose of paying the principal of and interest on the bond and the City shall automatically receive a credit for the amount of such City Funds on hand in the ADFA Bond Fund and available for the payment of any principal and interest currently due on an interest or principal payment date irrespective of whether the Bondholder has applied or caused to be applied such funds on that date for such purpose. The City shall receive a credit for all earnings and income derived from the investment of City Funds each April 15 and October 15 and such earnings and income shall be credited against the next six monthly payments.

(f) The bond shall be specifically secured by a pledge of all Revenues required to be placed into the ADFA Bond Fund. This pledge in favor of the bond is hereby irrevocably made according to the terms of this Ordinance, and the City and its officers and employees shall execute, perform and carry out the terms thereof in strict conformity with the provisions of this Ordinance.

Section 11. After making the payments into the ADFA Bond Fund required by Section 10 hereof, there shall be paid from the Revenue Fund the Servicing Fee to the Authority. The Servicing Fee shall be payable on each date interest on the bond is due and shall be calculated on the same basis as interest on the bond. The payment of the Servicing Fee is expressly made subordinate to the payment of the principal of and interest on the bond.

Section 12. After making the payments and deposits described in Sections 10 and 11 hereof, there shall be deposited into the Water and Sewer System Depreciation Fund (the "Depreciation Fund"), the amount required by the Senior Ordinances.

Section 13. The City shall assure that (i) not in excess of 10% of the proceeds of the bond is used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a Private Business Use; and (ii) that, in the event that both (A) in excess of 5% of the proceeds of the bond are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of proceeds of the bond used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Improvements.

The City shall assure that not in excess of 5% of the proceeds of the bond are used, directly or indirectly, to make or finance a loan to persons other than state or local governmental units.

As used in this Section, "Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

Section 14. The principal and interest installments shall be prepayable prior to maturity as provided in the bond form in Section 6 hereof.

Section 15. As long as the bond is outstanding, the City shall not issue or attempt to issue any bonds having or claimed to be entitled to a priority of lien on Revenues over the lien securing the bond, including any and all future extensions, betterments and improvements to the System except as provided in this Section.

The City may issue additional revenue bonds to refund the 2008 Bonds having a priority of lien over the lien securing the bond without meeting either of the financial tests described below. The City may also issue additional bonds having a priority on or on a parity with the lien on Revenues in favor of the bond to finance or pay the cost of constructing extensions, betterments and improvements to the System or to refund other outstanding System Bonds if there shall have been procured and filed with the City Clerk and the Bondholder a statement by a certified public accountant not in the regular employ of the City ("Accountant") reciting the opinion that (i) the Net Revenues (Net Revenues being gross Revenues less operation and maintenance expenses, but not including interest and depreciation) for the fiscal year preceding the year in which such additional bonds are to be issued were not less than 120%, in the case of parity bonds, and 130% in the case of priority bonds, of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Bonds and the bonds then proposed to be issued or (ii) the Net Revenues for the fiscal year succeeding the year in which such additional bonds are to be issued are projected to be sufficient in amount, taking in consideration any enacted increase in Revenues, to be not less than 120%, in the case of parity bonds, and 130%, in the case of priority bonds, of the maximum annual debt service requirements (including principal, interest and servicing and administrative fees) on all outstanding System Bonds and the bonds then proposed to be issued.

The additional bonds, the issuance of which is restricted and conditioned by this Section, shall not be deemed to mean bonds the security and source of payment of which are subordinate and subject to the priority of the bond and such additional bonds may be issued without complying with the terms and conditions of this Section.

Section 16. It is covenanted and agreed by the City with the Bondholder and the Commission that it will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State and by this Ordinance, including, without limitation, the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, segregating Revenues and applying them to the respective funds maintained pursuant to the Senior Ordinances and this Ordinance.

The City covenants and agrees that the Bondholder shall have the protection of all the provisions of the Authorizing Legislation, and that the City will diligently proceed to enforce those provisions to the end of the Bondholder realizing fully upon its security. And, if the City shall fail to proceed within 30 days after written request shall have been filed by the Bondholder, the Bondholder may proceed to enforce all such provisions.

If there be any default in the payment of the principal of or interest on the bond, or if the City defaults in any ADFA Bond Fund requirement or in the performance of any of the other covenants contained in this Ordinance, the Bondholder may, by proper suit, compel the performance of the duties of the officials of the City under the laws of the State. In the case of a default in the payment of the principal of and interest on the bond, the Bondholder may apply in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the System on behalf of the City and the Bondholder with power to charge and collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for the payment of the expenses of operation, repair and maintenance and to pay the bond and interest outstanding and to apply Revenues in conformity with this Ordinance. When all defaults in principal and interest payments have been cured, the custody and operation of the System shall revert to the City. No remedy herein conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy or remedies herein provided or provided by law, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or given by law. No delay or omission of the Bondholder to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any default or an acquiescence therein; and every power and remedy given by this Ordinance to the Bondholder may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon. Any costs of enforcement of the bond or of any provision of this Ordinance, including reasonable attorney's fees, shall be paid by the City. The Authority may enforce all rights and exercise all remedies available to the Bondholder in the event the Servicing Fee is not paid when due.

Section 17. When the bond has been executed and sealed as herein provided, it shall be delivered to the Bondholder upon payment of all or a portion of the purchase price in accordance with the Agreement. The sale proceeds shall be deposited, as and when received, in a special account of the City hereby created in a bank selected by the City that is a member of the Federal Deposit Insurance Corporation and designated the "2012 Sewer Construction Fund" (the "Construction Fund"). The moneys in the Construction Fund shall be used for reimbursing the City for the costs paid in accomplishing the Improvements, expenses incidental thereto and the expenses of issuing the bond approved in accordance with the Agreement. Payments from the Construction Fund shall be by check or voucher signed by two persons designated by the City Council and drawn on the depository. Each such check or voucher shall briefly specify the purpose of the expenditure.

When the Improvements have been completed and all required expenses paid and expenditures made from the Construction Fund for and in connection with the accomplishment of the Improvements and the financing thereof, this fact shall be evidenced by a certificate signed by the Mayor and by the consulting engineer, which certificate shall state, among other things, the date of the completion and that all obligations payable from the Construction Fund have been discharged. A copy of the certificate shall be filed with the depository bank, the Bondholder and the Commission.

**Section 18.** The terms of this Ordinance shall constitute a contract among the City, the Bondholder and the Commission and no variation or change in the undertaking herein set forth shall be made while the bond is outstanding unless consented to in writing by the Bondholder and the Commission.

**Section 19.** The City agrees that it will keep proper records, books and accounts relating to the operation of the System, which shall be kept separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the operation of the System in accordance with generally accepted government accounting standards. Such books shall be available for inspection by the Bondholder and the Commission, or the agent or the representative of either, at reasonable times and under reasonable circumstances. The City agrees to have these records audited by an Accountant at least once each year and a copy of the audit report shall be furnished to the Commission and the Bondholder on or before 120 days after the close of each fiscal year. In the event the City fails or refuses to furnish or cause such reports to be furnished, the Bondholder may have the reports made, and the cost thereof shall be charged against the Operation and Maintenance Fund.

**Section 20.** The City covenants and agrees that it will maintain the System in good condition and operate it in an efficient manner and at reasonable cost. The City agrees that, to the extent comparable protection is not otherwise provided to the satisfaction of the Bondholder and the Commission, it will insure, and at all times keep insured in a responsible insurance company or companies selected by the City and authorized and qualified under the laws of the State to assume the risk thereof, all above-ground structures of the System against loss or damage thereto in amounts and against such risks as are customarily insured against in connection with similar facilities and undertakings as the System. In the event of loss, the proceeds of such insurance shall be applied solely toward the reconstruction, replacement or repair of the System, and in such event the City will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement and repair work.

**Section 21.** The City agrees that the Bondholder may pledge the bond as security for the ADFA Bonds, and the ADFA Trustee and/or the municipal bond insurer for the ADFA Bonds may exercise any rights and remedies available to the Bondholder under this Ordinance or the Agreement while the bond is pledged and/or the ADFA Bonds are insured. In addition, the City agrees that while the bond is pledged and/or the ADFA Bonds are insured, copies of all financial information shall be furnished to the ADFA Trustee and/or the municipal bond insurer.

Section 22. There shall be a statutory mortgage lien upon the water facilities which are part of the System (including all extensions, improvements and betterments now or hereafter existing) which shall exist in favor of the owner of the bond, and such water facilities shall remain subject to such statutory mortgage lien until payment in full of the principal of and interest on the bond, provided, however, that such statutory mortgage lien shall be interpreted according to the decision of the Supreme Court of the State in City of Harrison v. Braswell, supra.

Section 23. The provisions of this Ordinance are hereby declared to be separable, and if any provision shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of this Ordinance.

Section 24. References in this Ordinance to "Bondholder" shall include the original Bondholder or any registered assign thereof.

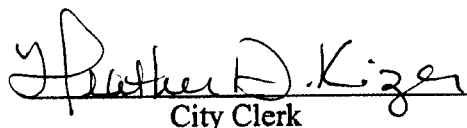

Section 25. All ordinances and resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.
