## **Council**

### **12. Resolution for Hiring Freeze - Sponsored by Councilmember Rob Roedel**

*A resolution implementing a hiring freeze for the City of Bryant, Arkansas*

- [Resolution for Hiring Freeze.docx.pdf](#)

## **Human Resources**

### **13. Council Approval - Approval to Recruit and Hire for Human Resources Assistant**

*The HR Assistant position became vacant on November 9th when our employee decided to pursue a higher paying position with a different city. While other departments have naturally grown over the years, the HR department has not. We are a department of three when fully staffed and we service well over 250 employees and elected officials. With only three employees in the department, running just one employee short places a significant burden on every department throughout the City as HR services and response times will slow down.*

*The HR Assistant position is responsible for processing worker's compensation claims, applicant tracking, interview scheduling and pre-employment processing for all departments across the City. In addition to the HR responsibilities, the HR Assistant role is the receptionist for City Hall and performs credit card reconciliation for all City Hall credit cards. Without this position staffed, we also risk having resident calls and questions go unanswered in a timely fashion.*

*We are approaching the start of a new budget year which always places strain on the HR department as we implement all adopted budget changes, all insurance changes and process all year end tax forms. This is in addition to handling standard day-to-day HR functions.*

*The base pay range for this position is \$35,148-\$43,935. Realistically, this position would not be staffed until after the start of the year. I am asking for approval to post this position so that we can start reviewing applications and determining when we can schedule interviews for a potential hire in early 2024.*

## **14. Council Approval - Approval to Recruit and Hire for Two Park Labor Positions**

*Parks is requesting approval to recruit and hire for two Park Labor positions. The Parks Labor crew consists of six full-time budgeted positions. Currently two of those positions are vacant leaving only four employees to complete all of the outdoor field services for all of our parks as we come into the sports/tournament season. In addition, given the current understaffing in HR, we anticipate a prolonged hiring process. These positions need to be replaced by the end of December 2023 to maintain the current park standards. Park Labor wages range from \$14.00-\$17.00/hour. The following is a description of the reduction in Parks Labor service levels in 2024 in the event we have to function without filling these two positions:*

*1) Bathroom cleaning and trash removal would revert back to a Mon/Wed/Fri pattern instead of the daily pattern we've worked to achieve.*

*Edging, clay work, supplemental dragging and any non-game related work on baseball and softball fields would be on an emergency basis only instead of a normal weekly field maintenance program. Would allow no extra time to drag fields for practices, tryouts, scrimmage games or just to keep the fields worked to prevent weeds from growing in them.*

*2) Building Maintenance foreman position would be forced to become a floating position alternating between helping with outside grounds maintenance in addition to duties inside the center and other buildings. Also would be forced to remain in the weekend tournament workers rotation due to lack of grounds employees.*

*3) Height of cut on the sports fields would need to be raised in order for the 2 man mowing crew to be able to keep up with the workload without cutting more than 1/3rd of the grass blade off during each cutting which could result in scalping. We have worked very hard to keep the height of cut on the sports fields low and clean but this requires weekly attention. We would also have to cut back water and fertilizer in order for a two man crew to be able to stay on top of the grass cutting which would in turn have a negative impact on the playing surfaces.*

*4) Grounds Maintenance foreman would be forced to spend most of each day on a mower instead of being a crew leader and planning daily tasks and staying on top of equipment maintenance, being project manager, etc.*

*5) Less workers means more hours on the current employees which could lead to excessive overtime hours after the maxing out of comp time for each member of the grounds crew. This could also result in burnout based on the 2024 tournament schedule that's already been established. We currently don't typically schedule an employee on back to back weekends unless absolutely necessary but this shortage would force back-to-back weekend scheduling. This could eventually lead to us scaling back on our sports tourism schedule.*

*6) Weedeating that's done by 1-2 members of the mow crew would be replaced with spraying a non selective herbicide around fences and edges which would be less aesthetically pleasing.*

*7) Cultural practices such as aerifying, nail dragging, topdressing, fertilizing, dethatching, rolling, etc. would not get done as often as they need to be.*

*8) With a short crew, if anyone were to miss due to illness, appointments, injuries, etc. it would reduce field services further.*

## **Parks and Recreation**

### **15. Oak Glenn Property**

*Council to consider accepting the donation of these properties in Oak Glenn Subdivision for a future park and improvements to stormwater infrastructure. While it may not completely solve the issue, it would be a valuable addition to a neighborhood seeking assistance.*
