ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

DRC 5/30/24 - Rec. Approval to Planning Commission. Planning Commission 6/10/24 - Public hearing on rezoning, Unanimously voted to approve the rezoning. Based on Approval by Planning Commission, it is Recommended to City Council for Approval.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

This property currently has an existing duplex and is zoned R-E. By rezoning the property to R-1, the property would come into conformance with the code due to R-1 allowing for duplexes. By rezoning the lot, the owners of the property would then be allowed to rebuild the duplex if it were ever torn down or destroyed. There are other R-1 zoned properties in the area and the proposed zoning would comply with the comprehensive growth plan. There were no comments made for or against the rezoning during the public hearing for this item at the Planning Commission meeting. See the attached documents for more information on the location of this property.

(This section to be completed by the Mayor)
