**ITEM COMMENTARY** (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

In July of 2024, the Systems Administrator position was vacated, leaving it frozen under Resolution 2023-30. After a review of the IT department, it was determined that the position could be re-written to be a Support Technician while still accomplishing the duties needed from the role. This change has a positive impact on the budget as the changes reduced the overall pay range for the position.
