AGENDA ITEM HISTORY SHEET

ITEM TITLE

Midland Estates Subdivison - Annexation

AGENDA NO. 3**AGENDA DATE:** 8/29/2024

FUNDING CERTIFICATION (Finance Director) (Signature, if applicable)

MANAGEMENT STAFF REVIEW (Signature)

MAYOR (Signature)

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

Preliminary subdivison plat for this property was approved by the Planning Commission on 6/12/2024. Petition for Annexation filed with county on 5/13/2024. Verified by Order from County Judge on 6/3/2024.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

This is an annexation for a property in the City's Planning Area that abuts the City Limits. The property is being developed as a subdivison and has gone through DRC for Review and to Planning Commission where the Preliminary Plat was Approved. This annexation will be beneficial to the City of Bryant as the property will work to extend our city limits North towards existing Sewer infrastructure and other subdivisons with pre-annexation agreements. Based on the Planning Commission's Approval of Preliminary Plat and the completion of annexation requirements, it is recommended that the annexation be accepted. Our plan is to seek annexation of all of Midland Estates, as our Fire and Police already serve the area and will continue serving there. Annexing this area will allow the City to collect property and sales tax from residents there, which will help the City to recoup funds from the cost of services.

(This section to be completed by the Mayor)

ACTION PROPOSED (Motion for Consideration)

Motion to approve the ordinance accepting the annexation of certain property into the City of Bryant.

We currently have a \$2,500 agreement with the manufacturer to hold this truck, a Rosenbauer 101' King Cobra Ladder Truck. This agreement expires on September 22, 2024. It is scheduled for completion in February of 2026. Other options for replacing our 2007 Bronto Ladder Truck will be at least 30-40 months completion.

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

In April of 2008, the last Water Master Plan was adopted by Council as the department's official future plan. Crist Engineers presented a summary of the updated water master plan during WSAC which Council was asked to attend. The City has to have an adopted master plan for our system before we can move forward with certain studies.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

It is important to note that this master plan will serve as our guide to how we budget for the future, how our rates are calculated, how different fees are analyzed, and how we plan for growth/development. Our last master plan was referenced very closely during our budget plannings. Adopting the master plan was the City's official master plan/CIP does not require us to complete those projects in the allocated amount of time, but justification would be provided if we did change parts of the master plan. Prices are all estimates, and please keep in mind the system is forever changing. This plan does not count for emergencies or unforeseen circumstances. We will actively communicate with Council and the community as we make our way through these projects. The master plan carries a recommendation from WSAC to adopt.

(This section to be completed by the Mayor)
